Katy Independent School District
2024-2025 Elementary School Supply List
Campus: Ray and Jamie Wolman
Elementary All Grade Levels:

In order to avoid purchasing any supplies that will not be used by the student, this list has been customized to address classroom needs at the student's campus. Purchase supplies listed on the chart for the appropriate grade level of the student. In addition to the supplies listed below, your campus may ask that you purchase additional campus-specific items. Due to safety and health reasons, teachers and parents are asked to supervise the student's correct use of all school supplies. These supplies are for the First Semester only. Supplies will be needed in January for the second semester. It is expected that when school supplies are depleted, they are replaced. Your child's teacher will inform you when supplies need to be replaced.
