CAREER & TECHNICAL EDUCATION FAIR

The Career and Technical Education Department will host its second annual Career Fair at Obra D. Tompkins High School in the Ninth Grade Center for Katy Independent School District students on Thursday, May 2, 2024, from 5:30PM-8:00PM. Students will explore over 175 Career and Technical Education courses offered in Katy ISD, talk with employers in our area, and learn about available post high school educational opportunities. Employers attending will present informational sessions about their industries and share summer job and internship opportunities. Students who want to participate in job interviews and internship opportunities are required to attend one of the webinar sessions outlined below:

WEBINAR DATES AND TIME Wednesday, April 17, 2024 Sunday, April 21, 2024 Wednesday, April 24, 2024 Monday, April 29, 2024 Time: 6:00pm-7:00p. Please sign up using [this link](#).

CLASS OF 2024 - SENIOR ANNOUNCEMENTS

Senior Exemptions request tile will be open from May 3rd - May 8th. Students must be clear of all fees, fines and holds, AND must have completed additional requirements of FAFSA & senior survey. Physical/Hard Copy Government-Issued Identifications

As Katy ISD continues its review of safety practices and protocols, it's essential to stress the significance of physical/hard copy government-issued identifications for accessing campuses/facilities, student registration, and student pickup. The district is strictly enforcing this requirement and will no longer accept paper or digital copies of driver's licenses, visas, and passports at any of its campuses or facilities, for these purposes. Katy ISD greatly appreciates the community's cooperation with these safety procedures and the ongoing partnership to maintain safe and secure environments across campuses.

WARRIOR SHOUT-OUTS

Congrats to our JV Girls & JV Boys Track and Field for both WINNING the DISTRICT 19-6A CHAMPIONSHIP!!! It was a true team effort by both squads!

Congratulations to the Jordan Warriors Boys Varsity Golf Team on winning the 19-6A district championship for the first time in school history.
