THE COMMUNITY

Patricia E. Paetow High School is located 25 miles west of downtown Houston. PHS is Katy Independent School District's eighth high school, which opened in August of 2017. The diverse student population is a real-world representation that allows our students to collaborate and communicate in a modern age setting.

The Paetow High School faculty put the needs of our students at the forefront of all decision making. They are committed to the success of our students as they prepare them to compete at a global level after graduation. Our surrounding community is continually growing as we add new students from other states and countries year-round. Our fast growth enrollment enables us to provide a welcoming atmosphere for new students to feel connected to their new school and school district.

CLASS RANK

KISD uses a weighted 4.0 grading scale. Class Rank is based on a cumulative grade point average for grades 9-12, plus high school courses taken in junior high and credits earned via preapproved Katy ISD provider(s). Students are officially ranked for the first time after the fifth semester in high school.

Katy ISD only ranks the top 10% of the senior class. Quartile will only be populated on transcripts for students who are in the 1st, 2nd or 3rd quartile. Quartile will not show for students in the 4th quartile or students new to Katy ISD. A full year, one period course consisting of two semesters is equivalent to one credit.
