## April 5, 2024

### Science Olympiad Entrance Exam

The Jordan High School Science Olympiad Team is now accepting applications for membership on the 2024–2025 team. Scan the [QR code](#) in your science teacher's classroom or on the student slideshow announcements around the school to access the application and more information regarding the admission process. The deadline to apply is Tuesday, April 9th.

### STAAR is coming up!

Students currently enrolled in (or who previously did not pass) Algebra I, Biology, English I, English II, or US History will be taking the corresponding STAAR tests in April. English I is on April 9th, English II is on April 11th, Biology is on April 16th, US History is on April 18th, and Algebra I is on April 23rd. STAAR tests are required for graduation, so please do not schedule appointments for your students and make every effort for them to be at school those days. Tester locations and the alternate bell schedule will be posted on QR codes around the school the day before each test. Questions? Email Melanie Piché Miller at [melaniepiche@katyisd.org](mailto:melaniepiche@katyisd.org). Click [here](#) for more information

### CAREER & TECHNICAL EDUCATION FAIR

The Career and Technical Education Department will host its second annual Career Fair at Obra D. Tompkins High School in the Ninth Grade Center for Katy Independent School District students on Thursday, May 2, 2024, from 5:30PM–8:00PM. Students will explore over 175 Career and Technical Education courses offered in Katy ISD, talk with employers in our area, and learn about available post high school educational opportunities. Employers attending will present informational sessions about their industries and share summer job and internship opportunities. Students who want to participate in job interviews and internship opportunities are required to attend one of the webinar sessions outlined below:

### Physical/Hard Copy Government-Issued Identifications

**As Katy ISD continues its review of safety practices and protocols, it's essential to stress the significance of physical/hard copy government-issued identifications for accessing campuses/facilities, student registration, and student pickup. The district is strictly enforcing this requirement and will no longer accept paper or digital copies of driver's licenses, visas, and passports at any of its campuses or facilities, for these purposes. Katy ISD greatly appreciates the community's cooperation with these safety procedures and the ongoing partnership to maintain safe and secure environments across campuses.**

## WARRIOR SHOUT-OUTS
