Demographics

Demographics Summary

Amy Campbell Elementary opened in August 2018 in Katy ISD. We are located in a high-growth area of the district with new sections of Cross Creek Ranch developing around the school. The first apartment complex in Fulshear is now open to new residents in our zone. There are currently 1074 students enrolled in Pre-K through 5th grade, which is 300 more than where we started last year. We are a bilingual campus and also have a Life Skills and PPCD class.

Ethnicity Percentages:

- White - 30%
- Hispanic - 41%
- African American - 6%
- Asian - 20%
- Two or More Races – 3%

Program Percentages:

- 40% of students are identified at-risk
- 24% of students are in the bilingual program
- 14% receive ESL services
- 26% of students are economically disadvantaged
- 10% receiving Special Education services
- 4% receiving Gifted and Talented services
We have hired a quality staff here at Campbell. All teachers are provided a variety of opportunities for professional development. Grade level teams plan together and receive resources and support needed to be successful.

**Demographics Strengths**

Campbell Elementary is a diverse campus with learners from various backgrounds and learning experiences. We also have a diverse staff from various backgrounds and experiences. Many families move into our area for the school district. Because our families value education, we have many supportive parents and volunteers.

**Problem Statements Identifying Demographics Needs**

**Problem Statement 1:** We have grown by 300 students since last year and are going to continue to grow and add students throughout the year creating large class sizes. We are also out of classroom space in the building. **Root Cause:** Sections of houses are in the process of being built all around us which will keep our enrollment steadily growing throughout the year and next summer.
Student Academic Achievement

Student Academic Achievement Summary

Percent of students who mastered, met, and approached grade level:

3rd grade reading: 88
3rd grade math: 88
4th grade reading: 93
4th grade math: 92
4th grade writing: 92
5th grade reading: 97
5th grade math: 98
5th grade science: 92

TEA Accountability: Met Standard

overall rating A (95)
STAAR performance Student Achievement rating A (93)
School progress academic growth rating B (83)
Closing the gaps rating A (100)

Student Academic Achievement Strengths

According to the 2018-2019 STAAR data, the vast majority of students are approaching, meets, or masters grade level set by TEA. For our first year, we are very proud of our writing and science scores coming in strong at 92 percent meeting standards. Our best student growth was in math at 78%.
Problem Statements Identifying Student Academic Achievement Needs

Problem Statement 1: Students may be passing and meeting grade level standards, but we need to make sure they are growing each year and mastering grade level standards. Root Cause: Teachers need to utilize ELT, small group instruction, and individual conferring to meet the needs of each individual student so they show growth.
School Processes & Programs

School Processes & Programs Summary

Campbell Elementary has a strong set of core values and beliefs that are the foundation of our culture. We do what's best for kids, collaborate with one another, value each other's strengths, continuously learn, and choose kindness. The master schedule has been arranged to allow for maximum instructional time. Teachers have opportunities to share ideas and plan together through the use of common planning times, PLC meetings, and professional development opportunities. Our instructional coach model is set up for optimal planning and learning for teachers and students.

School Processes & Programs Strengths

Being a newer campus has created a climate of excitement! Many teachers are experimenting with structures such as flexible seating and flexible work spaces. Our families are eager to volunteer. Our PTA has a full board and they have trained and solicited many volunteers. We are continuing to build relationships throughout the school community.

Campbell Elementary has highly dedicated and professional teachers that were recruited and hired because they are quality educators. All of our staff members are highly effective and are student centered.

Campbell Elementary follows the TEKS and unit plans from Katy ISD. Our teachers have attended trainings throughout the summer and received many resources to support this effort.

Each one of the classrooms at Campbell is equipped with a SMART Board, at least 2 computers and 4 ipads. Teachers and students have access to the computer lab, computer carts, and printers. There is a SMART Panel in each flex space for each grade level.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: We have at least two new teachers on each team to make sure we include and inform as they join our Campbell Family. Root Cause: We are continuing to grow and add staff.

Perceptions

Perceptions Summary

Campbell Elementary has established a variety of ways for parental and community involvement. We have an established and supportive PTA. Committees
are open to everyone wanting to support our school. We had meet and greet playdates throughout the summer. There will also be Pastries with the Principals events throughout this year and surveys to gain feedback. Families will have many opportunities throughout the school year to visit the campus for events sponsored by PTA or by grade levels. We are also promoting a culture of kindness from day one. Each week will feature different activities to promote kindness by students and staff.

Perceptions Strengths

In our second year, the staff and PTA are continuing to develop relationships with our community and surrounding businesses. We have a great relationship already with the Fulshear Police Department and Fulshear City Council. We look forward to continuing to be a positive connection in the community.

Problem Statements Identifying Perceptions Needs

Problem Statement 1: As a growing campus, values and beliefs may not be understood by all students, staff, and parents. Root Cause: Communication can sometimes be inconsistent when starting a new campus. It is important to keep all communication clear, consistent, and timely.
