Mission Statement

As a unified community, Edna Mae Fielder Elementary is committed to:
Providing a safe, caring, and positive environment that empowers students to grow academically, socially, and emotionally.

Vision

Fielder Elementary staff will work cooperatively with the community to provide an exemplary learning environment infused with quality, courtesy, and high expectations to develop lifelong learners that embrace diversity.

Value Statement

Falcons have exceptional powers of vision - we see all of our students as individuals with unlimited potential.

Comprehensive Needs Assessment

Demographics

Demographics Summary

Edna Mae Fielder Elementary is a twenty-six year old campus in Katy Independent School District, with ECAP, YCAP and PreK through 5th Grade students.

Student enrollment at Fielder Elementary is stable at around 950 students.

Demographic information was obtained from Fielder's current enrollment PEIMS reports. The majority of the student population is Hispanic ethnicity group 47.3%, followed by 35.3% White, 7.3% Asian, 7.4% Black/African American race/ethnicity groups. 2.4% of the student population is represented by two or more races and 0.3% is designated as Native Hawaiian Pacific Islander.

Fielder Elementary's Attendance Rate is 97.0%, which is above both the state and district averages. The campus is a predominantly a neighborhood school, zoned within the Cinco Ranch area.

Demographics Strengths

Fielder Elementary has many strengths. Some of the most important include:

1. Many families moving into the Cinco Ranch High School feeder pattern state that they buy houses in the area in order to attend Fielder Elementary. Our families share our values and help to support our campus vision.

2. Staff member diversity closely matches the diversity of the student population.

3. The attendance rate at Fielder Elementary has remained the same at 97% in the last couple years. The rate signifies the shared belief between the school and parents that attendance is a priority.
Student Academic Achievement

Student Academic Achievement Summary

All schools in Texas must meet standards set in three state accountability areas. For the 2017-2018 school year Fielder Elementary met all three targets:

- Index 1 - Student Achievement - Edna Mae Fielder Elementary Score: 91
- Index 2 - School Progress - Edna Mae Fielder Elementary Score: 85
- Index 3 - Closing the Gaps - Edna Mae Fielder Elementary Score: 100

These scores result in Fielder Elementary receiving a 2018 Texas Education Agency Accountability Overall Rating of Met Standard with a score of 94. Fielder Elementary earned Distinction Designation in the area of Comparative Closing the Gaps.

Student Academic Achievement Strengths

Edna Mae Fielder Elementary has a population of hard-working, high-performing students. Fielder is proud of many different student achievement strengths, including:

- Earning a Distinction Designation in the area of Comparative Closing the Gaps
- Meeting all of the state standards in the three accountability areas

Problem Statements Identifying Student Academic Achievement Needs

Problem Statement 1: 2019 STAAR data reveals that not all students Meet Progress in ELA/Reading STAAR and/or Math tests in the 4th or 5th grade. Root Cause: Previous expectation of focusing on students who were not passing leads to a lack of attention on students who are already meeting standards and need enrichment.

Problem Statement 2: 2019 STAAR data reveals that Special Education students scored significantly below all other student groups. Root Cause: Lack of access to classroom instruction and lack of training provided to general education teachers of students with special needs.
School Processes & Programs

School Processes & Programs Summary

Fielder Elementary recruitment process includes intensive screening prior to interviewing. Interviews are conducted by a panel which seeks the most highly qualified candidate. As a school we participate in the Katy ISD job fair as well as participate in recruiting trips as asked.

Curriculum support is available and provided by the Campus Instructional Coaches. A formal Mentor Teacher is assigned to all teachers new to the profession in order to provide on-going support. An informal Mentor is provided to all staff new to the campus. Beginning this year, teachers new to the professional are provided a content specialist in their classroom for the first two weeks of school, to assist with routines and procedures, as well as modeling appropriate teaching strategies within the workshop models for Math, Reading and Writing. This content specialist is also available to all teachers to model lessons to those who seek their assistance.

In 2017, wireless access points were upgraded for both student and community access to internet. All teachers use technology throughout the day. We have access to a technology designer who helps teachers and administrators grow in technology implementation. In 2018, the entire campus underwent a technology retrofit, where all technology in classrooms was replaced with newer versions. Students are encouraged to use a variety of computer programs on their Chrome books or iPads. The majority of the teachers integrate the use of their SMARTboard technology- SMARTboards and SMART document cameras- into their daily lessons and activities in the classroom.

Student progress is monitored routinely through the use of collaborative committees that include the classroom teachers, administrators, as well as content specialists to determine students' needs individually. Beginning in mid September, students are also grouped by knowledge of TEKS into extended learning time (ELT) classes. These ELT groups allow teachers to focus on specific knowledge and skills that their students are needing additional help or guidance with. Those students who have mastered the TEKS are placed into enrichment classes during this time.

In addition to following the Katy ISD Student Code of Conduct and Management Plan, Fielder Elementary began the implementation of a school wide student management system. The management system was created with staff input and participation. Staff reported that students behavior was more manageable and that positive reinforcement and supports were helping to shape more positive behaviors and less discipline issues within their classrooms.

School Processes & Programs Strengths

Data from the Spring 2018 Staff Surveys identified the following strengths:

- Successful collaboratives in which student data is discussed and needed interventions assigned.
- Increased awareness among teachers of student needs and accountability, focusing on student growth.
- Continued focus and implementation of small group instruction and workshop in reading and math.
• Professional Learning is provided on the campus in addition to what is offered at the district level.
• Paraprofessionals are receiving specific staff development to help provide support in the role as classroom assistants.
• Successful monthly unannounced safety drills including unobstructed and obstructed fire drills are conducted.
• Safety training and information is provided for all staff members.
• 2017 Annual fire marshal inspection passed.
• Designated staff members are trained in Crisis Prevention Institute (CPI), CPR, AED, and first aid.
• Core Essential Character Traits successfully implemented and taught each month.
• Bright Bytes Survey shows that most teachers are implementing growing amounts of technology within the classroom.
• Teachers have a minimum of 5 iPads or Chromebooks in the classroom available for student use.
• iPad and Chromebook cart class sets are available for check out from the library.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: Teachers in PK-2 struggle in implementing the district curriculum for Readers and Writers Workshop including the unit plans with fidelity. Root Cause: The workshop model is new to many staff members. Teachers are not all adequately trained and do not have a clear understanding of the expectations within each workshop model.

Problem Statement 2: Some teachers use Canvas, SeeSaw, FE Website, or other forms of communication for parents. Consist grade level wise, but not school wide. Root Cause: Inconsistent format to communicate with parents.

Perceptions

Perceptions Summary

Edna Mae Fielder Elementary has created a welcoming school environment for students, family and visitors. Our goal is to provide a safe, caring, and positive environment empowering students to grow academically, socially, and emotionally. This vision helps guide all work on campus to ensure that student-centered instruction and learning occurs daily.

We work to include positive behavior supports through our PBIS expectations in each common area and classroom to promote a positive learning environment and school culture. Expectations are consistently enforced with Fielder Funds, along with positive rewards and praise. Core Essential traits are promoted on eNews, on the morning announcements, and through a new walk and talk session held every Wednesday during the first seven minutes of recess for all students.

The staff morale committee, known as Sunshine Committee, works to provide staff with events and treats throughout the year. Staff members are encouraged to write "shout-outs" to others that are included in the weekly bulletin. Administrators are also encouraged to provide treats to staff members on random days during the month using the Principal's snack cart.
Perceptions Strengths

- Administrators attend PTA Board meetings.
- Weekly e-News with important dates and information are sent in English and Spanish.
- Parent Remind available for all important reminders.
- Watch D.O.G.S. programs (Dads of Great Students)
- KEYS Mentoring Program (Keep Encouraging Youth toward Success)
- VIPS and PIE (Volunteers in Public Schools) (Partners in Education)
- No Place for Hate Campus
- High-levels of PTA and FE Staff support and interaction through a variety of special events.
- Weekly Leadership and Instructional Coach meetings.
- Weekly calendar meetings between administrators and once per month with PTA President.
- Efficient and effective budget expenditures to increase technology usage and workshop model development within the classrooms.
- Promoted positive behavior with Fielder Funds
- Monthly Happenings Calendars with school and PTA events listed are sent home monthly with students.

Problem Statements Identifying Perceptions Needs

**Problem Statement 1**: Inconsistent format for parent communication for upcoming major grades, contact information, calendar, etc. **Root Cause**: Teachers use what they are comfortable with.

**Problem Statement 2**: Although behavior referrals have decreased, staff is not consistent with implementing the new behavior management system put into place. Not all students are being recognized for good behaviors. **Root Cause**: Teachers are inconsistent in implementation within the campus.
Priority Problem Statements

**Problem Statement 2**: 2019 STAAR data reveals that not all students Meet Progress in ELA/Reading STAAR and/or Math tests in the 4th or 5th grade.

**Root Cause 2**: Previous expectation of focusing on students who were not passing leads to a lack of attention on students who are already meeting standards and need enrichment.

**Problem Statement 2 Areas**: Student Academic Achievement

**Problem Statement 4**: 2019 STAAR data reveals that Special Education students scored significantly below all other student groups.

**Root Cause 4**: Lack of access to classroom instruction and lack of training provided to general education teachers of students with special needs.

**Problem Statement 4 Areas**: Student Academic Achievement

**Problem Statement 7**: Teachers in PK-2 struggle in implementing the district curriculum for Readers and Writers Workshop including the unit plans with fidelity.

**Root Cause 7**: The workshop model is new to many staff members. Teachers are not all adequately trained and do not have a clear understanding of the expectations within each workshop model.

**Problem Statement 7 Areas**: District Processes & Programs

**Problem Statement 8**: Although behavior referrals have decreased, staff is not consistent with implementing the new behavior management system put into place. Not all students are being recognized for good behaviors.

**Root Cause 8**: Teachers are inconsistent in implementation within the campus.

**Problem Statement 8 Areas**: Perceptions
**Problem Statement 9**: Inconsistent format for parent communication for upcoming major grades, contact information, calendar, etc.

**Root Cause 9**: Teachers use what they are comfortable with.

**Problem Statement 9 Areas**: Perceptions
Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

**Improvement Planning Data**
- District goals
- Campus Performance Objectives Summative Review from previous year
- Current and/or prior year(s) campus and/or district improvement plans
- Campus and/or district planning and decision making committee(s) meeting data
- State and federal planning requirements

**Accountability Data**
- Texas Academic Performance Report (TAPR) data
- Accountability Distinction Designations
- Federal Report Card Data

**Student Data: Assessments**
- State and federally required assessment information (e.g. curriculum, eligibility, format, standards, accommodations, TEA information)
- State of Texas Assessments of Academic Readiness (STAAR) current and longitudinal results, including all versions
- Texas English Language Proficiency Assessment System (TELPAS) results
- Texas Primary Reading Inventory (TPRI), Tejas LEE, or other alternate early reading assessment results
- Student Success Initiative (SSI) data for Grades 5 and 8
- SSI: Istation Indicators of Progress (ISIP) accelerated reading assessment data for Grades 3-5 (TEA approved statewide license)
- SSI: Think Through Math assessment data for Grades 3-8 and Algebra I (TEA approved statewide license)
- Running Records results
- Observation Survey results
- Istation Indicators of Progress (ISIP) reading assessment data for Grades PK-2

**Student Data: Student Groups**
- STEM/STEAM data
- Dyslexia Data

**Student Data: Behavior and Other Indicators**
- Attendance data
- Mobility rate, including longitudinal data
- Discipline records

**Employee Data**
- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Teacher/Student Ratio
- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data

**Parent/Community Data**
- Parent surveys and/or other feedback
- Parent engagement rate
- Community surveys and/or other feedback

**Support Systems and Other Data**
- Processes and procedures for teaching and learning, including program implementation
- Communications data
- Capacity and resources data
- Budgets/entitlements and expenditures data
- Study of best practices
- Action research results
- Other additional data
# Goals

**Goal 1:** All learning environments will foster engagement by integrating personalized learning experiences.

**Performance Objective 1:** Provide opportunities for staff to disaggregate data that tracks student success so that the instructional needs of the special education and English Language Learners achieve Approaches Grade level in the area of Writing on the STAAR assessment.

**Evaluation Data Source(s) 1:** STAAR Reading and Math Data

**Summative Evaluation 1:**
