School Nurse Day 2014

Whereas, children are the future and, by investing in them today, we are ensuring our world for tomorrow; and

Whereas, all students have a right to have their health needs safely met while in the school setting; and

Whereas, Katy ISD school nurses have served a critical role in improving public health and in ensuring student’s academic success for more than 100 years; and

Whereas, school nurses are professional nurses that advance the well-being, academic success and life-long achievements of all students by serving on the frontlines and providing a critical safety net for our nation’s most fragile children; and

Whereas, school nurses understand the link between health and learning, and are in a position to make a positive difference for children every day;

Therefore, The Katy ISD Board of Trustees, in observance of the National School Nurse Day, does hereby proclaim Wednesday, May 7, 2014 as School Nurse Day in Katy Independent School District.

Signed this 28 day of April, 2014.
