

Katy Independent School District

Wolfe Program Design Committee

April 19, 2010

NOTES

- Committee members met to prioritize the work after the cost study for the program was shared.
- The committee priorities decided on are:
 - A continuation of services to the Wolfe Elementary community.
 - Serving the Katy ISD students with another level of quality education by providing an IB program K-12.
- The committee reviewed the facility suggestions with consideration for the K-12 alignment of IB program.
