

## CAFETERIA VISITOR INFORMATION

Each day our cafeteria feeds 1000+ students plus many of our staff in a two hour timeframe. As you can imagine, the cafeteria is a crowded and very busy place each day. For the first two weeks of school, we do not allow lunch visitors. This is an important time for our students to learn our cafeteria rules and to socialize with their classmates and friends. The lunchroom gives our students time to practice those important social skills with their peers!

We also are asking that parents limit their visits for lunch with their student to once a week. If we run out of room at the parent table, we will have to ask you to leave the lunch and come back at another time. We cannot make other areas available for seating. (Friday's are our busiest days, so if your schedule permits you to enjoy lunch with your husky at another day that would be appreciated.)

Due to seating issues, we are also going to have to limit the number of people who may eat with a student. We will only be able to accommodate 2 people eating with a student at the parent table. And as a reminder, a student cannot bring a classmate or friend to eat with them. The parent table is for the parent(s) and child only. Visitors may only bring in food for their child and should not have interactions with students other than their own children.

**We also do not allow lunch visitors during early dismissal days.**

Our main concern is the safety for our huskies.

Thank you for your assistance with this.

Sincerely,

BHE Administration
