

Coyote Retest Policy

The CRJH retest policy applies to MAJOR TESTS only; therefore, this policy does not apply to homework, quiz, or class assignment grades! If a student makes less than 70% on a major test, they will be given one opportunity to retest. In order to retest, test corrections must be completed and an opportunity for a tutorial session will be given. The retest will not be identical to the original test, but will be similar in difficulty. The **maximum score of 70** is the highest score a student can receive on a retest.

Homework Policy

Late homework will be accepted, but only if it is turned in by the next time that particular class meets and there will be a **30 point penalty**. After two days, a zero will be assigned. On major projects, 10 points will be deducted each day for 3 days. After three days, a zero will be assigned. For example, if a student does not have his/her homework for 2nd period on Monday, they have until 2nd period on Tuesday to turn it in for a maximum grade of 70. From that point on, the grade will be a zero.
