Dear Community Member,

Greetings from Katy TWlst (Two-Way Immersion Support Team). We are a non-profit parent volunteer organization that supports Katy ISD’s Two-Way Immersion (TWI) Program. TWI immerses both English-speaking and Spanish-speaking students in school and subjects are taught in both English and Spanish. The goal is to have bilingual children who better understand different cultures, which not only helps them develop as individuals, but also increases their competitiveness in our global economy.

Katy TWlst and Fielder Elementary’s No Place for Hate Committee are excited to co-host our 6th Annual International Festival at our school on Friday, February 7, 2020 from 6:00-8:30 pm. The school is located at 2100 Greenway Village Drive in Katy and has more than 1,000 students.

This event has broad appeal as it showcases different countries and cultures around the world, including food, art and live performances. The event is free to the public and for the past several years we had huge success with countless positive feedbacks.

We are reaching out to ask for your support in sponsoring our event. Attached you will find descriptions of Platinum, Gold and Silver sponsorship levels. Together with our community and partners like you, we will be able to provide a spectacular experience to enrich our children and their families!

Your bountiful participation is greatly appreciated and will be acknowledged and recognized by all from friends and families of Katy TWlst and Fielder Elementary.

Katy TWlst is a 501(c)3 non-profit organization so your donation is tax-deductible. For additional information and/or questions, please contact us at TWI.International.Fest@gmail.com or 713-306-8708.

On behalf of our students and families of Katy TWlst, we thank you in advance for your generosity.

Sincerely,
Sandy Green
