It is the policy of Katy ISD not to discriminate on the basis of sex, disability, race, religion, color, gender, age, or national origin in its educational programs and/or activities, including career and technology programs, nor in its employment practices and to provide equal access to the Boy Scouts and other designated youth groups.
The contents of this handbook are not contractual, and do not give rise to a claim of breach of contract against KISD. Further, the contents of this handbook apply to all students of the District, as the contents now appear in the handbook or may be amended in the future.

Revised 9/19
Katy Independent School District Supports a Heart Safe School Community
Automatic External Defibrillators are on-site at all campuses and major district facilities.

Directory Information

1. What information does Katy ISD consider “directory information?”

Certain information about district students is considered directory information and will be released to anyone who follows the procedures for requesting the information unless the parent or guardian objects to the release of the directory information about the student. If you do not want Katy ISD to disclose directory information from your child’s education records without prior written consent, you must notify the district in writing within two weeks of enrollment. Katy ISD has designated the following information as directory information:

- Student name
- Address
- Primary telephone listing
- Photograph
- Honors and awards received
- Dates of school attendance
- Grade level
- Most recent educational institution attended
- Participation in officially recognized activities and sports
- Weight and height of members of athletic teams.

2. Is directory information confidential?

Directory information on a student, as defined above, is not confidential unless a parent/guardian indicates that it should be made so. This is the reason that parents/guardians are asked to select a privacy code at the beginning of each school year. The privacy code chosen informs the District as to what, if any, directory information about a child is to be released.

3. What are the privacy code options from which a parent/guardian can choose?

There are three privacy codes from which a parent/guardian may choose: Y - Yes, O - Other, and N - No. Parents who do not fully register through Power School will default to the “N - No” code. Please refer to the chart for the implications of each code.

4. Under what circumstances may directory information be released?

Katy ISD is required to provide information to any member of the public who asks for it under the Texas Public Information Act unless the parent selects a privacy code of “N - No” or “O - Other.”

5. Is a privacy code selection confidential?

Yes. A privacy code selection made by a parent/guardian is confidential and is only released to employees who have a legitimate need to know, under the law.

6. Is it possible for a parent/guardian to change their student’s privacy code during the course of the year?

Parents/guardians do have a right to change their student’s privacy code. However, it is not recommended that parents/guardians change their student’s privacy code after the school year has started because most campuses have a process in place whereby teachers are expected to become knowledgeable about the privacy codes of their individual students so that they can adhere to these codes consistently. Additionally, the District has no ability to recall information that was released prior to a change of code.

7. How can a parent/guardian prevent their student’s directory information from being released to an outside third-party?

Katy ISD, as stated previously, is required to provide information to any member of the public who seeks for it under the Texas Public Information Act unless the parent selects a privacy code of “N - No” or “O - Other.”

8. Why do parents/guardians have to designate a separate choice for military recruiters and institutions of higher learning?

Federal law requires districts receiving assistance under the Elementary and Secondary Education Act of 1965 (20 USC Section 6301 et seq.) to provide a military recruiter or institution of higher education, on request, with the name, address, and telephone number of a secondary student unless the parent has advised the district that the parent does not want the student’s information disclosed without the parent’s prior written consent. If a parent decides to opt out of directory information being released to the military or institutions of higher learning, their student’s address, and telephone number is confidential and will not be released. This code may not be split to allow only military recruiters or institutions of higher education access but not the other. This selection is treated separately from the “Y,” “N,” and “O” code chosen for directory information purposes.
I. Absences

Notifying School of Child’s Absence:

- On the day that the student is absent, the parent/guardian should contact the Attendance Clerk as early as possible to notify the school of the absence. If a parent/guardian does not make telephone or personal contact with the Attendance Clerk, the student must bring a note or email signed by the parent or guardian on the date(s) of return to school. The note must include the reason for the absence, the student’s grade level, first and last name, and the dates of absence. **Telephone or personal contact by the parent with the Attendance Clerk is the preferred method of reporting a student absence.**

- If the school does not receive timely notification regarding an absence, the parent will be contacted by school staff or the automated phone system to verify the absence.

- Failure to establish parent telephone or personal contact with the school on the date of an absence or to provide a written note or email to the Attendance Clerk, within three days of absence, will result in an unexcused absence. A lapse in parental notification may trigger a compulsory attendance notification and/or court a warning notification from the Katy ISD Police.

- On the student’s first day of return to school, the student will follow campus procedures related to class re-entry. Some schools issue permits, other schools do not.

Tardies:

A student is considered tardy when the student is not in the proper place with all needed materials before the tardy bell rings. There are no excused tardies for those students who arrive by a mode of transportation other than riding a school bus. Students with excessive tardies will be assigned disciplinary consequences as outlined in the *Katy ISD Discipline Management Plan/Student Code of Conduct*. In addition, tardies may be used in presenting a student’s overall attendance record to the court when a student has violated compulsory attendance laws. Students who miss more than 50% of a given class period will be counted absent for attendance purposes. Students checking out of school for the day during a given class period will be recorded as absent if the student leaves before 50% of the class
period has elapsed. At the elementary level, class periods are identified on the teacher’s daily schedule.

**Compulsory Attendance:**
Texas requires a child who is at least six years of age, or who is younger than six years of age and has previously been enrolled in first grade, and who has not yet reached his/her 19th birthday to attend school for the entire period the program is offered unless exempt by TEC 25.086. While students are not required to enroll in pre-kindergarten or kindergarten programs in Texas, once enrolled the students are required by law to attend school. TEC 2 5.085 and Board Policy FEA (LEGAL)

The parent/guardian commits an offense of criminal negligence under TEC 25.093 if the student accrues voluntary unexcused absences for 10 or more days or parts of days within a six-month period.

If a warning is issued as required by Section 25.095(a), the parent with criminal negligence fails to require the child to attend school as required by law, and the child has absences for the amount of time specified under Section 65.003(a), Family Code [25.094], the parent commits an offense. (c) An offense under Subsection (a) is a [Class C] misdemeanor, punishable by fine only, in an amount not to exceed:

1. $100 for a first offense;
2. $200 for a second offense;
3. $300 for a third offense;
4. $400 for a fourth offense; or
5. $500 for a fifth or subsequent offense

A child not exempt from compulsory attendance laws may be excused for temporary absence as the result of, but not limited to: 1) personal illness; 2) religious holy day; 3) health care appointment; 4) documented juvenile court proceeding; and 5) Board-approved extracurricular activity. [TEC 25.087 and Board Policy FEB (LEGAL)] Absences for vacations, business trips, babysitting, working, and other such reasons shall be considered unexcused. If a parent elects to take a student out of school for one of these reasons or questions
whether or not an absence will be considered excused or unexcused, the parent is encouraged to contact the school in advance of the absence. **Students will not be given assignments in advance for prearranged absences.**

A parent/guardian of a school-age child has the responsibility to require that his/her child attend school regularly. When sickness or another reason necessitates an absence a note signed by the parent/guardian or phone call, explaining the reason for the absence, is required prior to or when the student returns to school. If a student fails to submit a note from the parent or the school does not receive a phone call from the parent, the absence will be considered unexcused. A campus may establish an online attendance reporting application in lieu of requiring a written note or phone call. When a student’s absence for personal illness exceeds five (5) consecutive days, the student must return to school with a statement from a physician or health clinic verifying the illness or other condition requiring the student’s extended absence from school. A student who has been absent a total of eight (8) cumulative days or more will be required to bring a note from a physician or health clinic verifying the illness or other condition. In either of the above instances, all future absences will also require a note from a physician or health clinic or the student may be taken to school to be assessed by the nurse, within the first hour of the school day, in an effort to determine whether any symptoms of communicable illness exist that would prevent the student from attending class. If the student’s symptoms persist beyond one day (other than for communicable illness), a campus nurse excuse cannot be issued and a doctor’s note would be required for any subsequent days of absence. Once a student is required to provide a note from a healthcare professional for future absences, failure to do so will result in an unexcused absence. **Therefore, any time a student is absent and is seen by a healthcare professional, a note from the healthcare professional is always in the best interest of the student so that the absence can be specified as either a doctor (or health care) appointment (full day) or health care appointment (partial day) rather than for personal illness.**

**Attendance for Credit:**
In addition to the statute related to compulsory attendance, a student must also be in compliance with the attendance for credit statute which states that the student must be in attendance for at least 90%
of the days a class is offered in order to gain credit or be promoted. The 90% rule will be calculated from the student’s first day of enrollment. **All excused and unexcused absences are counted for the purpose of determining attendance for credit/promotion.** For each course/class in which a student falls below the 90% threshold, a review of the record will be conducted and the student may be required to complete a plan created by the principal in order to be promoted. Once a student falls below the 75% attendance threshold, only a campus Attendance Review Committee will meet to develop a plan for the student to complete in order to be promoted. **TEC 25.092 and Board Policy FEC (LOCAL)**

Parents are strongly discouraged from removing a sibling from-school to attend a campus event during the school day. Such unexcused partial day absences will be documented and may negatively affect compulsory and/or attendance for credit absence reporting.

**Attendance Accounting:**
In an effort to ensure parents are adequately notified of all absences, report cards for students in Katy ISD will reflect all absences that affect either compulsory attendance or attendance for credit issues. All absences, including those for health care appointments for which the student cannot be penalized under compulsory attendance, are counted on the report card because these absences are not exempt from attendance for credit promotion mandates. Parents are able to access current attendance data via the online **Home Access Center** or via the **Katy OnTheGo Mobile App**.

**Common Absence Types:**
Since school attendance is compulsory, a reason must be given whenever a student misses school per FEA (LEGAL). Based on the reason, an absence can be coded as unexcused, or excused. Examples of excused and unexcused absences can include, but are not limited to the following:

**Excused:**
- Appearing at a governmental office to complete paperwork required in connection with the student's, not the parent's, application for U.S. citizenship (with documentation requiring student's appearance and proof of attendance)
• Taking part in the student's own U.S. naturalization oath ceremony
• Death of an immediate family member (immediate family is defined as parent, guardian, grandparent, sibling of the student or a person living in the home) – note required
• Death of an individual who has had a significant impact on the family (approved by the campus administration)
• Health Care Professional appointment/medical excuse (with doctor’s note)
• Illness resulting from ongoing medical treatment (ie: chemotherapy with doctor's note on file)
• Nurse sent home from school
• School-sponsored or extracurricular events that occur within school day
• Family emergency approved by the campus administration
• Juvenile probation appointment (with written verification)
• Removal of CPS/law enforcement and related days
• Lice (1 day excused)
• Personal illness (5 days without doctor note)
• Private therapy (ABA, OT, speech) for students identified on autism spectrum; on-going with health care professional note on file
• Required court appearance (with documentation).
• Immunizations (with doctor’s note)
• In-school and out-of-school suspension (assigned by campus administrator)
• Active military visits (see ADA clerk for details)

Unexcused:
• Any absence for which no reason is provided by parent
• Failure to bring required doctor’s note related to excessive absences
• Doctor’s appointment for someone other than the child
• 4-H activities
• Private lessons, tutoring, counseling and other services
• Family vacation, reunion, wedding, family business (sibling graduation, award ceremonies, accompany parent on business trip, etc.)
• Non-school sponsored activities
• Religious retreat or other non-obligated church events, scheduled prayer
Transportation issues (car trouble or no one to drive)
Runaway and/or truancy (skipping school/class, leaving campus/class without permission)
Welfare/WIC appointments

Attendance Recognition:
To earn an annual exemplary attendance certificate:
- A child must be enrolled in Katy ISD on the first day of school and must be present the entire school year. If a child enrolls after the first day, he/she must have a documented record of perfect attendance from his/her previous school.
- Absences from natural disasters or uncontrollable factors will not be counted if officially designated by the Superintendent as being such, i.e., weather conditions.

Note: An exemplary attendance recognition will not be earned if a student has five (5) or more TOTAL tardies and/or early check-outs, regardless if reason is excused or unexcused.

II. Academic Eligibility:

In order to participate in extracurricular and club activities, state law requires that a student must have a 70 or better average in all classes posted to the report card. This pertains to activities such as the Katy ISD District Choir, Destination Imagination, Elks Hoop Shoot, Campus/District Spelling Bee, etc. Students with a failing grade on a report card are restricted from participating in extracurricular activities for the next grading period. There is an opportunity to regain eligibility earlier if the student earns averages of 70 or above in all classes at each three-week progress check.

Loss of eligibility is based on report card averages below 70. Students and parents should be aware that an “I” (Incomplete) on a report card or progress report has the same impact on eligibility as an “F” (average below 70). A student with an “Incomplete” grade is ineligible at the end of the seven day grace period unless the “Incomplete” is replaced with a passing grade prior to the end of the seven day grace period. Students with an “Incomplete” grade either
within or beyond the end of the seven day grace period may regain eligibility if the work is made up in accordance with District policy regarding time allowed for make-up work and the conditions under which make-up work is allowed.

At times, music classes require demonstration of the mastery of the essential knowledge and skills in a public performance. For such courses, certain on-campus co-curricular performances are not governed by the academic eligibility rule.

State and District policies place much value on daily student attendance. While not a UIL rule, students scheduled to participate in extracurricular events are expected to be in attendance during the given school day. Extenuating circumstances may be discussed with a campus administrator. Participation decisions are made by the campus principal according to established organization rules and procedures.

III. Bullying

Students who believe that they have been bullied are encouraged to promptly report such incidents to a teacher, counselor, principal, assistant principal, or the SpeakUP app (see below). Failure to promptly report alleged bullying may impair an administrator's ability to investigate and address the bullying. Investigative guidelines are in place at each campus. If an incident of bullying meets the definition of bullying as defined in State law, the administrator shall promptly notify the parents of the victim and of the student who engages in bullying. Disciplinary consequences will be assessed as appropriate. Refer to Board Policy FFI (LEGAL and LOCAL) for related policies. Refer to the Katy ISD Discipline Management Plan and Student Code of Conduct for the state definition of bullying and other related information.

SpeakUP Anonymous Reporting:
SpeakUP is the anonymous reporting platform that students, parents, and patrons can use to report safety concerns, bullying, threats of violence, drug use, mental health concerns, as well as any other Concerns related to student physical or mental health. SpeakUP is available for download in Apple or Android format. It is available on
all district websites, computers, and district devices. SpeakUP provides an opportunity for the Katy ISD community to anonymously provide valuable information to district administration and law enforcement that will help keep our students safe.

IV. Nutrition and Food Service

Breakfast and lunch meals are available for all district students each school day. A la carte options are also available for additional costs. Free and reduced meal prices are available to those who qualify. The menus and application for free and reduced meals are available on www.SchoolCafe.com/KatyISD. Payments can be submitted online through https://KatyISD.RevTrak.net. Meal periods and serving times are designated by the campus.

Katy ISD students are expected to eat lunch on campus per Board Policy FEE (LOCAL). Customers are encouraged to make all purchases for meals and a la carte before sitting at the cafeteria table. Katy ISD student ID cards should be carried to be scanned for account information when making purchases. Students are expected to pay for meals purchased daily.

Additional information is available on the district website www.katyisdfoodservices.com or on www.SchoolCafe.com/KatyISD.

Charge Policy:
District charge policy allows students without meal money to receive the menu choice with the expectation the parent will reimburse all meals charged. The elementary charge policy allows for the value of 10 breakfast meals and 10 lunch meals to be charged. When the charge limit is reached, the elementary student will receive a milk for breakfast or a milk and cereal for lunch. Parents will be alerted when their child charges a meal by receiving a courtesy call and/or email through the district automated call out system, if the district parent
information is correct and up-to-date. Parents are responsible for monitoring the amount of money in their child’s account and paying back any borrowed money in a timely manner. If a student owes money, he/she will not be allowed to purchase snacks and/or a la carte on this account until the account is paid in full.

Payment Options:
Pay N’ Go - Online Credit Card or E-Check Deposits:
- Pay N’ Go is the fastest and easiest way to prepay to assure money is in the account for meals and a la carte purchases
- This is the recommended and preferred method of payment
- Pay N’ Go can also be accessed on Katy OntheGo Mobile App
- Credit cards, Debit Cards and E-checks are accepted (includes VISA, MasterCard or Discover)
- Parents may set up automated payments using a certain threshold
  - Ex: If account balance falls below $10, deposit $50
- Student’s district ID number and last name is required to register each child in Pay N’ Go
- Funds are placed in the student account within 48 hours
- There are no fees charged through Pay N’ Go. What you pay is what you get!
  - Ex: Want to deposit $50 into a student’s account? That is the total amount paid– exactly $50
- Any restrictions to your student’s account must be made online for each child by the account holder through SchoolCafe.

Cash and Checks:
- The Nutrition and Food Service Department cannot reimburse claims of lost cash or check payments.
- For safest and fastest processing, it is encouraged to deposit funds online through Pay N’ Go.
  - There are no online processing fees!
- If sending check or cash payment, send to the school in a sealed envelope with your child’s name, teacher, and Katy ISD ID number noted or present to Cashier at the time of service.
- Make checks out to Katy ISD Food Service.
- Checks must include full name, address, phone number and be signed.
• Any restrictions to your student’s account must be made online for each child by the account holder through SchoolCafe. Katy ISD is not responsible for designating Meal versus A la Carte only from check or cash payments.

Student food service account history can be viewed at www.SchoolCafe.com/KatyISD. Parents can access account history without adding funds to the account. Parents may set a low balance email message reminder, check the amount of money in the account and determine what the student has been purchasing, even without using a credit card to pay. SchoolCafe is also the website where parents may fill out an online free and reduced meal application or access menus, nutritional information or transfer funds from one sibling to another.

Notifications:
The Katy ISD Nutrition and Food Service Department uses an automated calling system and email system to alert parents when their child has a negative balance in the cafeteria. Alerts are sent out by both phone and email Monday through Friday. Low balance alerts and automated account replenishing can be set up on Pay N’ Go. Notification information is tied to the most current information provided to the registrar at your child’s campus so it is important that any changes in home/cell phone numbers or email addresses are updated by parents on the Home Access Center or reported to the front office at your campus as soon as possible to be sure you receive all district alerts. Any questions regarding your student’s cafeteria accounts can be directed to the cafeteria manager at your campus between 6:30AM to 2:30PM Monday through Friday or the Nutrition and Food Service Office, 281-396-6240.

Free and Reduced Meal Program:
• The fastest way to receive free or reduced meal benefits is by submitting an online application at SchoolCafe
• A student’s district ID number and last name is required to register each child
• Create 1 account online and add ALL students to the account
• Other parents or guardians can also create an account but they will NOT have access to view a free and reduced application
that you submitted if it was on a different account (you can only see the application if you submitted it personally)

- Eligibility notification letters will be available online through SchoolCafe
- Reminder to only submit 1 application per household (all students should be added to 1 application)
- Once all students are added to SchoolCafe, each year moving forward it will retain your student information and automatically prompt you to add those students on future free and reduced applications. This will help make it a faster and easier process.
- Parents in need of financial assistance can apply at any time during the school year for their students
- A new application must be submitted every school year
- Students in Pre-K automatically qualify for free breakfast and lunch meals
  - If you have additional students attending Katy ISD, please remember to also add your Pre-K student to the application so they are included as a household member
- Paper applications are available at each campus front office or the Nutrition and Food Service Office, if needed, but online applications are preferred

What menu components must be taken to pay the meal price?
The federal Healthy, Hunger Free Kids Act of 2010 requires students paying the set meal price to take menu components that meet the meal pattern. The meal pattern consists of FIVE components: meat/meat alternate, grain, fruit, vegetable and milk.

If the minimum number of components for each meal are not chosen by the student, a la carte charges will be charged.

Breakfast:
- Must choose at least three of the four offered components to make a meal.
- Must choose one fruit or a juice as one of the components to pay the meal price.

Lunch:
- Must choose at least three of the five offered components to make a meal.
• Must choose at least a half cup of fruit or vegetable to pay the meal price.

**Severe Food Allergy/Diagnosed Disability:**
The District requests to be notified when a student has been diagnosed with a severe food allergy or disability that requires a modification be provided by the cafeteria to the student’s meal. Severe food allergies include those that could result in dangerous or possibly life-threatening reactions either by inhalation, ingestion, or skin contact with the particular food. It is important to disclose the food to which the student is allergic as well as the nature of the allergic reaction. Please contact the school nurse on your child’s campus regarding any known food allergy or as soon as possible after any diagnosis of a food allergy.

The District has developed and annually reviews a food allergy management plan. When the district receives information that a student has a severe food allergy that places the student at risk for anaphylaxis, the student will be referred to 504 so an individual health plan can be developed to assist the student in safely accessing the school environment.

Students with life threatening food allergies or disabilities requiring diet modifications may have an alert posted on the cafeteria point of sale/cashier’s computer system. In order for the alert to be activated, the child’s physician or other recognized medical authority must complete the *Katy ISD Diet Modification Form* and the *Food Allergy Action Plan* detailing the student’s diagnosed disability or life-threatening allergy, the food or foods to be omitted, and the food choices that can be substituted. The parent should return the completed form to the school nurse to be shared with the Nutrition and Food Service Department. The United States Department of Agriculture (USDA) requires school districts to ensure that they have the most current information on a student’s dietary needs. If there is a change made to a student’s life threatening food allergy or diagnosed disability, an updated Diet Modification Form must be submitted to reflect the changes. To ensure the district has the most current information on a student’s dietary needs, a new Diet Modification Form must be submitted at minimum every three (3) years for every student currently receiving a modification from the cafeteria.
**Peanut Allergy:**
Allergies to peanuts are not always limited to ingestion of the food item. Peanuts can also cause damage through the air as an airborne allergen. Peanut allergies may lead to life threatening situations. The following precautions have been taken in order to create a safe environment for all children.

- No peanut products are offered on the menu, however some a la carte products may contain or be processed in a facility that also processes nuts.
- Parents are encouraged to avoid sending peanut butter sandwiches to school.
- Treats brought for the two (2) parties allowed each year need to be peanut and peanut oil free. No homemade treats, only treats purchased in a store that have a label indicating the ingredients of item.
- Birthday treats sent to school should be peanut-free. No homemade treats, only treats purchased at a store that have a label indicating the ingredients of item.

There are situations in which a student’s medical condition requires that the student be allowed to carry peanut butter crackers as an accommodation in the event that the crackers are needed. When conflicting needs arise, the students will not be placed in the same class and every effort will be made to keep both students safe.

**Personal Food in the Cafeteria, Restricted Foods:**
Students may bring their own lunch or breakfast to school to eat in the cafeteria during designated times. Parents are encouraged to provide food items for their children only. Sharing food is strongly discouraged at the meal table for reasons of hygiene, allergic reactions and nutrition. Students may not bring glass containers on campus.

**Smart Snacks Rules:**
The Smart Snacks in Schools standards published by the USDA will build on healthy meal changes through the National School Lunch Program and the School Breakfast Program. As of July 1, 2014, revised nutrition standards are in effect for all foods and beverages sold to students on campus during the school day with school day defined as from midnight to 30 minutes after the end of the instructional day. Related to these standards, any and all campus food sales during the school day must meet Smart Snack standards. This includes campus
and PTA/PTO sales events and fundraisers. Any and all food sale days/events exempt from food standards are prohibited per Katy ISD guidelines. Currently according to Katy ISD guidelines, food sales outside of the cafeteria are not allowed anywhere on the school campus during the school day. General program information is available on the Smart Snack Brochure.

V. Child Abuse/Neglect and Sexual Abuse Reference Board Policy FFG (LEGAL)

While any person who has cause to believe that a child's physical or mental health or welfare has been adversely affected by abuse or neglect by any person is required by law to report the action, any professional is required to make such report within 48 hours after first suspecting abuse or neglect. A report of alleged or suspected abuse or neglect and the identity of the person making the report is confidential. A person acting in good faith who reports alleged abuse or neglect is immune from any civil or criminal liability. Sexual abuse will, likewise, be reported. The District has developed methods for increasing teacher, student, and parent awareness of issues regarding sexual abuse of children, including knowledge of the likely warning signs indicating that a child may be a victim using a variety of resources and interventions and informing individuals about available assistance that a child victim may obtain including counseling options. Students who are aware of any form of abuse or neglect should be encouraged to report the incident to any adult in a position of authority, including school employees such as a teacher, counselor, nurse, or administrator. Education Code 38.004 and 38.0041.

VI. Clinic

Illness:
Students who become ill at school are sent to the clinic for evaluation by the campus nurse. The campus nurse will call the parent if a student needs to go home or needs to talk personally to the parent. An ill student must leave school through the clinic. Parents should remind their child(ren) to ask a teacher to send him/her to the clinic if he/she is not feeling well, and the campus nurse will call the parent. It is essential that such students leave through the clinic for purposes of attendance accounting and student safety.
To help control the spread of communicable diseases, the following health measures should be followed:
1. Remind your child to practice good hand-washing techniques at all times and to avoid drinking from bottles, cans, or glasses after other people;
2. Keep your child at home if he or she is exhibiting signs and/or symptoms of illness — but not as a preventative measure. Do not send a sick child to school just to take a test; performance is generally lower when a child is ill;
3. Keep your child at home if he/she has a fever of 100 degrees or higher, is vomiting or has diarrhea. Students must be symptom free for at least 24 hours without preventative medication. (For a student sent home from the clinic, at a minimum, the 24-hour rule begins when the student is signed out from school.);
4. Encourage students to dress appropriately for the activity and weather conditions;
5. Set a routine which allows adequate rest and sleep; and
6. Let the campus nurse know if your child has been diagnosed with any communicable disease.

Should any campus experience an unusually high number of students with the same illness Katy ISD will follow the Texas Administrative Code Title 25, Part, 1 which states that notifiable conditions will be reported to the public health authority for emergencies and suspect cases.

It is very important to let the school know of any changes in work, home or cell phone numbers so parents can be contacted in case of an emergency. Parents should update email and phone numbers on the Home Access Center (HAC). If a parent is unable to electronically update information on the HAC, a note should be sent to the attendance clerk so the change can be made on the school records used by the nurse.

Immunizations:
A student must be fully immunized against certain diseases or must present a certificate or statement that, for medical reasons or reasons of conscience, including a religious belief, the student will not be immunized. Please see the school nurse and district website for information regarding immunizations and documentation requirements.
For a list of immunization requirements and exemptions, procedures for medication administration and other health related concerns contact your campus nurse or refer to the District website for further information.

**Medication:**
All medications, prescription and nonprescription, including cough drops, brought to the school must be taken to the school clinic immediately upon arrival. Students may transport prescription/nonprescription medication to and from school as long as the medication is not a controlled substance. Parents are strongly encouraged to personally drop off and pick up medications in the campus clinic. Students may not be in possession of any prescription or nonprescription drug on school grounds during school hours unless officially authorized by the campus nurse for possession. According to Texas Education Code 38.013, a student with diabetes, asthma or anaphylaxis is entitled to possess and self-administer his/her prescription diabetes, asthma or anaphylaxis medication while on school property or at a school-related event or activity, provided that certain criteria are met. Before a student can possess and self-administer his/her diabetes, asthma or anaphylaxis medication, all required paperwork must be completed and on file in the school clinic. Forms can be obtained from the campus nurse. The following procedures are in place regarding medications:

- All prescription drugs dispensed through a physician’s office must be in their original pharmacy container or packing and labeled by the pharmacist or physician. The label must be current and must clearly state the following:
  - Names of student and physician
  - Prescription information including name, strength, dosage amount, dosage frequency, and date filled.
- All nonprescription drugs must be in their original container. The written request for administration of these over-the-counter drugs, made by parent, guardian, or physician, must contain the following:
  - Full name of student and date of request.
  - Drug information including name, dosage amount, dosage schedule, and reason drug is given.
  - Parent/Guardian signature.
There shall be no more than one type of drug per properly labeled container.

Written permission must be obtained from a parent to dispense prescription or nonprescription drugs to a student when the drugs are to be administered for 15 calendar days or less. Following the 15-day period, 30 days must lapse before a medicine considered to be in the same category (e.g. antihistamine, decongestant, pain reliever) can be administered with parent permission only.

When long-term administration of medication is necessary (over 15 calendar days), for either prescription or nonprescription drugs, written permission from the parent and the physician must be obtained. This applies to all drugs to be given on a regular, prn (given as needed), or emergency basis for more than a 15-day period.

Medications prescribed or requested to be give three (3) times a day or less are not to be given at school unless a specific time during school hours is prescribed by a physician or the campus nurse determines that a special need exists for an individual student.

Permits to administer medications must be renewed at the beginning of each school year.

Natural and/or homeopathic-like products, not FDA approved, will not be dispensed in the school setting by school district personnel.

When a cycle of prescription/nonprescription medication is completed or at the end of the school year, a parent or parent’s adult designee must pick up any excess prescription medication from school. The parent may give written permission for the medication(s) to be destroyed at school. If authorization is given by the parent/guardian to transport medication home on the Administration of Medication at School forms (less than 15 days or more than 15 days), then the Disposition of Excess Medication form will not be necessary.

Screenings On Campus
Vision, hearing and scoliosis screenings will be conducted per Department of State Health Services guidelines in selected grade levels to identify those children with problems that may hinder their academic performance at school. If a problem is detected by the campus nurse, a parent will be notified and referred for a professional examination.
Acanthosis Nigricans (AN) is an additional screening that will be conducted in selected grade levels by the campus nurse. This screening is to identify any student that may be at risk of developing Type II diabetes.

**Food Allergies**
Upon enrollment, parents/guardians should disclose to the school (on a form provided by the campus nurse) if the child has a food allergy or severe food allergy that, in the judgment of the parent/guardian, should be disclosed to the school to take any necessary precautions regarding the child’s safety and to specify the food to which the child is allergic and the nature of the allergic reaction. A severe food allergy means a dangerous or life-threatening reaction of the human body to a foodborne allergen introduced by inhalation, ingestion, or skin contact that requires immediate medical attention. The information will be kept confidential and only disclosed to appropriate school personnel. *Texas Education Code 25.0022*

**Head Lice**
Head lice, although not an illness or a disease, is very common among children and is spread very easily through head-to-head contact during play, sports, or nap time and when children share things like brushes, combs, hats, and headphones. If a student has been assessed by the campus nurse and the findings indicate the presence of “live lice,” the parent is called to pick the student up. After the student has undergone one treatment, the parent will then bring the student back to the campus nurse to be cleared to go back to class. If any live lice are found in the child’s hair, he/she will be sent home until no evidence of “live lice” exists.

**VII. Communication between Home and School**

**Complaints:**
The Board encourages students and parents to discuss their complaints through informal conferences with the appropriate teacher, principal, or other campus administrator. If a parent utilizes the informal process, the timeline for filing a formal complaint can be extended by mutual consent of the parties involved. Ordinarily, a student or parent must file a formal complaint within fifteen (15) days of the date they knew or should have known about a situation.
However, the fifteen (15) day window for filing a formal complaint would not begin until a decision had been made in the informal process if the parties had agreed in advance of the informal conference.

If informal resolution is not possible, District policy provides formal grievance procedures. A student or parent may not present a formal complaint to the Board until all administrative remedies (appeal processes) have been exhausted.

Some complaints, such as those related to certain disciplinary actions, bullying, sexual harassment, instructional resources, or loss of credit require procedures specific to the topic. Any campus can provide information regarding the specific processes for these complaints. In addition, information can be found in the Board Policy Manual on the District’s website.

**Conferences:** Reference Regulation GKC
Parents/Guardians requesting a conference with the teacher should make prior arrangements at least one day in advance with the principal, principal’s designee, and/or the teacher unless the principal or designee believes there are extenuating circumstances requiring an immediate conference. Campus administrators, counselors, and support teachers often attend conferences in efforts to address all needs of the student discussed.

**Home Access Center:**
The Home Access Center enables parents to access students’ grades, assignments, test scores and absences, as well as allow parents to update basic contact information.

**Katy OntheGo Mobile App:**
The Katy ISD App, Katy OntheGo mobile app allows parents to view their child's grades, assignments, attendance record and cafeteria balance. Parents are strongly encouraged to download the free Katy OntheGo mobile app to access student, school and district information on mobile devices.

How to Download the App:
- Go to the App Store or Google Play
Search "Katy ISD"
Select "Free" and then "Install"
You will need to know your Apple or Google account password
After it has installed select "Open"
You have now downloaded the app

**SnapCode:**
For all enrolled Students at Katy ISD, the parent or guardian will be required each August, to electronically update their child’s information by submitting an Annual Information Update. In early August, each parent will receive a unique snapcode to the email address that is on file. If you are not sure you have an email address on file, please log into the Home Access Center (HAC) or contact your child’s campus. The snapcode is a key to each child’s data for the upcoming school year and a unique snapcode is sent for each child.

**Remind App:**
Remind, formerly Remind101, is a free mobile app that many schools use to text information to subscribers. This is especially helpful during severe weather dismissals. Contact your campus for more information.

**Insurance:**
Katy ISD offers Voluntary Student Accident Insurance coverage for parents to purchase for their children who are enrolled in grades Pre-K through 12. There are a variety of plans and options to select from and premiums are annual and may not be prorated. Coverage is considered to be in force upon receipt of payment with enrollment at any time during the school year. For a detailed explanation of the plans offered and premium cost, or to enroll your child online, visit [East Texas Insurance Associates](#) or call 800-900-9750 or 979-268-5333 for an application.

**Student Directories:**
Campuses or parent organizations may choose to create and publish a student directory to help students and families stay connected. Students for whom a parent has selected a privacy code of “A” will automatically have their name, address, and primary phone number included in the student directory unless a parent specifies otherwise. However, since email addresses are not considered standard
directory information, written consent must be obtained from each parent wishing to have this information included. Students for whom a parent has selected a privacy code of “O” or “N” may not be included in the student directory. There will be no exceptions if a parent has chosen “O” or “N”.

While parent organizations can also elect to publish a student directory, these organizations operate separately from a campus. A student’s name, address, and primary phone number can be provided to a parent organization without parent consent if the parent has selected a privacy code of “A” on the student’s enrollment card. The organization will have to obtain directory information and written consent from all other parents before including their child’s directory information in the student directory. The inclusion of emails will require written consent from all parents who wish to have this information included. Parent organizations are not subject to a public information request.

It is important for parents to be aware that once a student’s directory information has been published in a student directory, the District does not have the ability to restrict how the information is disseminated by individual parents. Therefore, parents should make their decisions with this factor in mind.

**VIII. Procedures/Routines**

**Audio Recording:**
Using any device or technology to record the voice of another in any way that disrupts the educational environment invades the privacy of
others, or without the prior consent of the individual being recorded is prohibited.

**Birthday Treats:**
It is a campus decision regarding when birthday treats are served. It is recommended that birthday treats be served after the lunch period ends so that treats do not interfere with students’ appetites for a nutritious meal. Parents may send a birthday treat of their choice to be shared with the child’s classmates on his/her birth date. Usually these treats will be shared at recess (if after lunch) or during the last ten (10) minutes of the instructional day. Because of the time constraints, the treat is limited to one item per classmate and it is preferred that the treat be a single-serve item (i.e. cupcake, cookie, etc.) so that it can be served, eaten, and cleaned up within the 10 minutes allotted. Birthday treat items must be purchased at a store with all ingredients clearly labeled. Parents should keep in mind that there are many students who have food allergies (i.e. peanuts, gluten, etc.) The birthday treat exception does not constitute a birthday party; therefore, no other items (party favors) may be distributed.

Per Regulation GKDA, invitations for birthday parties or other special events are defined as non-school related materials and may not be distributed to students at school since no other flyers from similar groups are allowed to be directly distributed to students.

**Campus Advisory Team:**
The Campus Advisory Team acts in an advisory role to the principal in most cases. There are several meetings during the year which cover topics such as school budget, professional development, staffing and organization, review of student achievement, preparation of the Campus Improvement Plan and other topics of interest/need at the campus. The Campus Advisory Team must approved campus’ professional development plan.

These meetings are open meetings and may be attended by interested members of the school community. There is a visitor’s forum time set aside for anyone who wishes to speak to the committee. The times, dates and meeting places will be announced by the campus. For Details, reference Board Policy BQB (LEGAL).
Cellular Phones:
Refer to *Discipline Management Plan & Student Code of Conduct* for information regarding student telecommunication possession and use at the elementary level.

Classroom Observations:
Parents/Guardians wishing to visit their child’s classroom shall make arrangements at least one day in advance with the principal, the principal’s designee, and/or the teacher unless the principal or designee believes there are extenuating circumstances. Every effort will be made to reach a mutually agreed-upon time for classroom visits. However, no visits will be scheduled on test days or on other days deemed inappropriate by school personnel. To maintain an orderly educational environment, parents/guardians should not bring the child’s siblings or other children with them and must turn off all cell phones and paging devices while in the instructional setting.

Parents/Guardians in classrooms are there as “silent observers” and are asked to sit in the location specified by the teacher in an effort to minimize distractions to students. Parents/Guardians should not become involved in discussions or classroom activities unless invited to do so by the teacher. If a parent/guardian has need for discussion with the teacher, a conference must be scheduled outside instructional time. Classroom visits are limited to one class period or a maximum of 50 minutes per day unless otherwise approved by the principal or designee. Principals or other administrative designees may restrict classroom visits per Regulation GKC if requests become excessive in terms of frequency, length of visit, and/or number of requests. Volunteers and Katy ISD employees shall follow the same procedures as other parents/guardians when requesting to observe in their children’s classrooms.

Change of Clothes:
A student may soil his/her clothing during the school day to the extent that a change of an item or outfit is needed. Parents are strongly encouraged to provide a change of clothes for their child which can be kept in the student’s backpack. Having their own clothes to change into is more comforting to the children. If clothing is not available, parents may be contacted to bring clothes to school immediately. In these situations, the student(s) involved often miss learning time in
the classroom while they wait in the office/clinic for clothes. At times, the campus may have suitable garments to loan the student(s). The campus/clinic are not responsible for providing clothing. Also, a student who requires a clothing change because of not abiding by dress code will be reported to an administrator for possible discipline consequences or given dress code appropriate clothing.

Deliveries:
The District highly values instructional time. The District expects parents/volunteers to not interrupt classroom time. See campus pages for campus delivery instructions. Balloons, flowers, or other gifts cause distractions in the classroom. These items should not be sent to school.

Dress Code:
For specific details related to Dress Code, see Board Policy FNCA (LOCAL) and the Katy ISD Discipline Management Plan and Student Code of Conduct. For any additional campus-based expectations, see the campus section in this handbook.

ID Badges:
Each student will receive a photo ID badge at the beginning of the year at no cost. The badge and its unique student ID number will be used to check out library books and textbooks, to purchase food items in the cafeteria, to permit passage to certain club meetings and to provide easy identification of students in common areas of the school. Students will follow campus procedures related to wearing the ID badge. Students in grades PK-5 will continue utilizing their badges during lunch and library times. Fourth and fifth grade students should wear their badges throughout the school day, when practical. Each campus will have a system for managing and replacing student badges. If a student loses the ID, a replacement must be purchased promptly from the designated school office/location.

Mobile Learning Devices: Restricted to Grade 2 and above
Students are allowed to bring personal telecommunication devices for academic classroom use as determined by the teacher. Each campus will develop procedures for use and management.
**Picking-Up Students:**
Parents/Guardians or other authorized individuals picking up a student prior to the end of the school day must show a valid government-issued photo identification, sign the student out, and wait in a designated waiting area for the student. A student needing to leave during the school day for appointments should remain in the classroom to maximize instructional time until a parent/guardian arrive(s). School personnel will inform the student that the parent/guardian has arrived. [See FEE (REGULATION) for more specific details.]

Parents/Guardians of prekindergarten students are required to pick up their students at the appropriate prekindergarten dismissal time. Students attending the morning prekindergarten session are not allowed to remain at school beyond the mid-day dismissal time.

**School Hours:**

**Selling Items at School:**
Students are not permitted to sell items at school for personal gain or for outside organizations. School-approved fundraiser sales will be governed by the local campus administration. At the elementary level, this includes the option of one food related fundraiser per month. Food items sold must meet the USDA Smart Snack mandate.

**Start of the Day:**
Per TEC 25.082, students are to recite daily the Pledges of Allegiance to the United States flag and Pledge of Allegiance to the Texas flag. A student may be excused from reciting a Pledge of Allegiance with a written request from the student’s parent/guardian. Following recitation of the pledges, a minute of silence is observed during which time a student may, as a student chooses, reflect, pray, meditate or engage in any other silent activity that does not distract or interfere with another student.
Toys/Valuables/Personal Items:
Toys are not to be brought to school. Besides being distracting to classroom instruction, toys are often lost or misplaced at school. Toys include: electronic games, skateboards, yo-yos, trading cards or anything that disrupts the teaching/learning environment. Please do not add toys or key chains to backpacks. They serve as a source of distraction and noise while the teacher is teaching or preparing the class for dismissal. Elementary students are not permitted to listen to music on cell phones/electronic devices during the school day or at school-related activities. Students are not allowed to bring glass containers on campus. For Mobile Learning Devices, refer to pg. 21.

Unauthorized Persons:
In accordance with Education Code 37.105, a school administrator, school resource officer (SRO), or district police officer shall have the authority to refuse entry or eject a person from district property if the person refuses to leave peaceably on request and;
1. The person poses a substantial risk of harm to any person; or
2. The person behaves in a manner that is inappropriate for a school setting, and the person persists in the behavior after being given a verbal warning that the behavior is inappropriate and may result in refusal of entry or ejection.
Appeals regarding refusal of entry or ejection from district property may be filed in accordance with FNG(LOCAL) or GF(LOCAL) as appropriate.

Videotaping/Recordings and Cameras:
A District employee may, without consent of a child’s parent, make a videotape or recording of the child if the videotape or recording is to be used only for:
● Purposes of safety, including the maintenance of order and discipline in common areas of the school or on school buses; [see FO (LEGAL)]
● A purpose related to a co-curricular or extracurricular activity; [see FM (LEGAL)]
● A purpose related to regular classroom instruction; [see EHA (LEGAL)] or
● Media coverage of the school.

Due to confidentiality issues related to directory information and to the Family Educational Rights and Privacy Act (FERPA), parents, students, and visitors may not use video recorders, voice recorders,
or cameras unless used during a performance open to the public or during a private conference with permission by an administrator. If a recording or photo is taken in violation of FERPA, the item in question will need to be deleted.

Public events are those events that occur when the general public has an opportunity to view students (i.e. outside for field day) or when students are not required to participate (i.e. a talent show performed after the end of the school day). If the event is during the instructional day (i.e. classroom or grade-level performance), students are considered a “captured” audience and directory information and FERPA rules apply. This is true even if parents are invited to observe. The principal at each campus has the authority to determine which school-related events will be considered public performances at which photographs or videos can be taken.

Visitors: Regulation GKC
Parents/Guardians and other individuals are welcome to visit District schools. For the safety of those within the school setting, all visitors are expected to demonstrate the highest standards of courtesy and conduct; disruptive behavior will not be permitted. Each campus principal has the authority to permit or deny any person access to the campus, as deemed appropriate, in order to maintain student safety and/or an orderly environment. It is the principal’s responsibility to minimize interruptions during instructional time. To support the attainment of this goal, the following guidelines will apply to all visitors to the schools:

- Upon arrival to a campus, visitors, including volunteers, must report to the front office to be entered into the visitor tracking system.
- All adult visitors needing to go beyond the front office area must present a government issued photo identification such as a driver’s license, state identification card, immigration visa, consulate card, or passport.
- A computer-generated identification badge will be printed and must be worn at all times while on campus.
- Visitor passes will allow an individual access to the areas of the campus specified on the badge only.
- Parents/Guardians may escort their children to class on the first three (3) days of the school year only. Parents/Guardians must leave the classroom area before the tardy bell on these days.
Visitors are expected to follow all campus and district-based rules. Visitors must return to the front office area, return their visitor passes, and exit through designated doorways upon completion of their visit to the campus. Visitors may be asked to leave the classroom and/or campus if their presence disrupts the educational process or school activities in any way. If the visitor refuses to leave, as requested, the visitor may be arrested for or charged with trespassing.

The principal is authorized to establish check-in and check-out procedures for assemblies and programs depending on the location and type of event. Visitors to any area of the building other than a special event, for which regular check-in procedures have been waived, must sign in and obtain a visitor’s pass prior to proceeding to areas other than the special event area of the building.

Private service providers, other than those contracted by the District, are not permitted to provide on-site services to students during the instructional day. Private service providers may reserve District facilities in accordance with Board Policy and Administrative Regulation GKD. Private service providers, advocates and attorneys hired or contracted by parents are expected to follow all campus and district-based rules, and these individuals are not permitted to make classroom observations.

Withdrawals:
Parents should notify the attendance clerk’s office several days in advance when a child is withdrawing. Teachers will receive a withdrawal form from the office to complete. The completed form is returned to the Attendance Clerk. The parent must come to the office to complete final withdrawal procedures. Records will be sent to the new school when release of records documentation has been received on campus.

IX. Instructional Topics

Fees:
Materials that are part of the basic educational program are provided without charge to a student. A student is expected to provide his or
her own supplies such as pencils, paper, erasers, and notebooks, and may be required to pay certain other fees or deposits including:

- Materials used in any program in which the resultant product is in excess of minimum requirements and, at the student’s option, becomes the personal property of the student. Fees may not exceed the cost of materials.
- Membership dues in student organizations or clubs and admission fees or charges for attending extracurricular activities when membership or attendance is voluntary.
- Items of personal use or products which a student may purchase at his or her own option, such as student publications or yearbooks.
- Fees specifically permitted by any other statute.
- Any authorized, voluntary student health and accident benefit plan.
- Items of personal apparel which become the property of the student and which are used in extracurricular activities.

Exemptions from Fees or Deposits:
If a student and his or her parent or guardian are unable to pay required deposits or fees, the following procedures will be followed for waiving such fees:

- The student’s parent/guardian will complete the Application for Waiver of Fees provided by the District.
- If after reviewing the application for a waiver, the principal determines that, according to District guidelines, the family is unable to provide the necessary supplies or fees, the principal or designee will grant the waiver.

Opting Out of Instructional Activities and Test:
Parents may request that their child be excused from participation in daily recitation of the Pledge of Allegiance to the United States flag and the Pledge of Allegiance to the Texas flag. The request must be in writing. State law does not allow students to be excused from participation in the required minute of silence or silent activity that follows. However, each student is allowed to use this time to reflect on his or her day or some other silent activity during this time.

Parents may also remove their child temporarily from the classroom if an instructional activity in which the child is scheduled to participate conflicts with the family’s or moral beliefs. The removal
cannot be for the purpose of avoiding a test and may not extend for an entire semester. Further, students must satisfy grade-level and graduation requirements as determined by the school and by state law. This includes state mandated assessments.

**Mandated Assessments:**
The State of Texas requires annual assessments of the State of Texas Assessments of Academic Readiness (STAAR) for the elementary areas:

- 3rd grade: STAAR reading, math
- 4th grade: STAAR reading, math, writing
- 5th grade: STAAR reading, math, science

Scores are considered in promotion/retention decisions. For the 2019-20 school year, by law students in grade 5 must pass the STAAR reading and mathematics assessments in order to be promoted to grade 6.

STAAR tests are required by law and all eligible students in attendance on testing days will be administered the required assessment. In addition, district learning assessments and campus common course assessments are given periodically to measure academic progress. Students receiving special education, ELL, and GT services are required to be assessed periodically as specified by the program guidelines.

**Student Success Initiative (SSI)**
**Summer Acceleration** – 5th grade students by law must pass the STAAR Reading and Math exams in order to advance to the next grade level. Any student who has not passed either exam after two (2) attempts must attend the SSI Summer Acceleration program and test a third (3rd) time.

**Aiding Students Who Have Learning Difficulties or Who Need Special Education or Section 504 Services:**
For those students who are having difficulty in the regular classroom, all school districts and open enrollment charter schools must consider tutorial, compensatory, and other academic or behavior support services that are available to all students, including a process based on Response to Intervention (RtI). The implementation of RtI has the
potential to have a positive impact on the ability of districts and charter schools to meet the needs of all struggling students.

If a student is experiencing learning difficulties, his or her parent may contact the individual(s) listed below to learn about the school’s overall general education referral or screening system for support services. This system links student to a variety of support options, including making a referral for a special education evaluation or for a Section 504 evaluation to determine if the student needs specific aids, accommodations, or services. A parent may request an evaluation for special education or Section 504 services at any time.

**Special Education Referrals:**

If a parent makes a written request for an initial evaluation for special education services to the director of special education services or an administrative employee of the school district or open enrollment charter school, the district or charter school must respond no later than 15 school days after receiving the request. At that time, the district or charter school must give the parent a prior written notice of whether it agrees to or refuses to evaluate the student, along with a copy of the Notice of Procedural Safeguards. If the school district or charter school agrees to evaluate the student, it must also give the parent the opportunity to give written consent for the evaluation.

If the district or charter school decides to evaluate the student, it must complete the student’s initial evaluation and evaluation report no later than 45 school days from the day it receives a parent's written consent to evaluate the student. However, if the student is absent from school during the evaluation period for three or more school days, the evaluation period will be extended by the number of school days equal to the number of school days that the student is absent.

There is an exception to the 45-school-day timeline. If a district or charter school receives a parent's consent for the initial evaluation at least 35 but less than 45 school days before the last instructional day of the school year, it must complete the written report and provide a copy of the report to the parent by June 30 of that year. However, if the student is absent from school for three or more days during the evaluation period, the June 30th due date no longer applies. Instead, the general timeline of 45 school days plus extensions for absences of three or more days will apply.
Upon completing the evaluation, the district or charter school must give the parent a copy of the evaluation report at no cost.

Additional information regarding special education is available from the district or charter school in a companion document titled Parent's Guide to the Admission, Review, and Dismissal Process.

**Contact Person for Special Education Referrals:**
The designated person to contact regarding options for a student experiencing learning difficulties or regarding a referral for evaluation for special education services is:

Contact Person: Refer to Campus website for this information.

**Section 504 Referrals:**
Each school district or charter school must have standards and procedures in place for the evaluation and placement of students in the district's or charter school's Section 504 program. Districts and charter schools must also implement a system of procedural safeguards that includes notice, an opportunity for a parent or guardian to examine relevant records, an impartial hearing with an opportunity for participation by the parent or guardian and representation by counsel, and a review procedure.

**Contact Person for Section 504 Referrals:**
The designated person to contact regarding options for a student experiencing learning difficulties or regarding a referral for evaluation for Section 504 services is:

Contact Person: Refer to Campus website for this information.

**Additional Information:**
The following websites provide information and resources for students with disabilities and their families.

- Legal Framework for the Child-Centered Special Education Process
- Partners Resource Network
- Special Education Information Center
- Texas Project First
Response to Intervention (RTI):
Response to Intervention (RTI) is a multi-tiered system of supports designed to meet the academic and/or behavioral needs of struggling students. It relies on collaborative, interdisciplinary teams that work together to lend support to the efforts of regular classroom teachers and to bring about improved academic performance for students who are achieving below expected levels based upon learning, behavioral, and/or District standards.

The goal of RTI is to foster classrooms where teaching is directed toward the variable learning needs of a diverse student population. To achieve this goal, school personnel enrich and supplement the curriculum through analysis of individual student performance, consultation/collaboration, and differentiated instruction.

An RTI Committee also serves as the referral committee when there is evidence that the student’s response to intervention is not producing the desired results. The committee will consider whether there is evidence to support the need for a student’s referral to either Special Education or Section 504, or whether the student needs more intensive interventions. A parent may also request an evaluation for Section 504 or special education services. Contact the campus RTI Coordinator for questions regarding the RTI process.

Students with Physical or Mental Impairments Protected under Section 504:
A student determined to have a physical or mental impairment that substantially limits a major life activity, as defined by law, and who does not otherwise qualify for special education services, may qualify for protections under Section 504 of the Rehabilitation Act. Section 504 is a federal law designed to prohibit discrimination against individuals with disabilities. When an evaluation is requested, a committee will be formed to review the results of the evaluation and to determine whether the student is in need of services and supports under Section 504 to receive an appropriate education as defined in federal law.

Each campus has designated one or more assistant principals as Section 504 Coordinators. The student’s grade level assistant principal should be contacted to initiate a referral.
Physical Education:
For physical education classes, it is suggested girls wear shorts under their dresses or skirts. All students are required to wear athletic shoes with a non-marking rubber sole with laces and/or Velcro closures. Shoes should be closed-toe with full support around the heel. The following shoes are not allowed:

- flip flops
- dress shoes/boots
- cleats
- ballet/jazz shoes
- sandals
- shoes with wheels
- felt bottoms/soles
- Crocs
- Toms
- Bobs

When a student returns to school following an illness/injury, a written excuse from activities is required if the student is not able to participate in physical activities. A doctor’s note is required to excuse a child from P.E. for more than ten (10) days. Any medical or disabling conditions that hinder a child’s full participation in P.E. should be communicated to the teachers.

Promotion/Retention:
Students eligible for promotion have met the following criteria:

- In grades 1 – 5, promotion to the next grade level shall be based on a combined overall average of 70 on a scale of 100 based on course-level, grade-level standards (TEKS) for the core subject areas (language, reading, mathematics, science, and social studies)

AND
- A grade of 70 or above in each of the following subject areas: reading, language, and mathematics.

AND
- For the 2019-2020 school year, by law, students in grade 5 must pass the STAAR reading and mathematics assessments in order to be prompted to the 6th grade.
PreKindergarten – There is not a retention option at PreK level. Due to the State’s age eligibility requirements for PreK, all PreK students must be advanced to Kindergarten.

Students enrolled in Kindergarten will be promoted to 1st grade at the end of the school year based on academic achievement and demonstrated proficiency of subject matter taught during the Kindergarten year. Promotion/Retention considerations include the recommendation of the student’s teacher; the student’s competency-based report card grades; the student’s performance on assessment instruments administered during the school year; and any other necessary academic information, as determined by the campus.

Students who do not meet the above criteria are not eligible for promotion. The campus Promotion/Retention Review Committee must meet to determine whether the student will be retained in the current grade level or placed in the next grade level. The committee composition includes the parent, classroom teacher, campus counselor and the principal or principal’s designee.

Timeline: Teachers are responsible for keeping parents informed of unsatisfactory student progress. Each February, students are identified as possible retention candidates. Parents are notified by letter from the campus that their child is at risk of retention. Documented communication from teacher(s) with parents continues throughout the spring addressing a collaborative approach to assisting the student. In May, the campus will hold official Retention Review Committee meetings to discuss student grades and progress. Decisions related to retention, placement, or promotion are to be completed by the last instructional day of the year.

**Child Find:**
Katy ISD is responsible for identifying and evaluating students who within the intent of Section 504 of the Rehabilitation Act of 1973 need special services or programs in order that such students may receive the required free appropriate education. A student who may need specialized instruction or programs within the intent of Section 504 is one who:

- Has a physical or mental impairment that substantially limits one or more of life’s major activities; or
- Has a record of such impairment; or
- Is regarded as having such impairment.
Students may be eligible under the provisions of Section 504 even though they do not require services pursuant to the Individuals with Disabilities Education Act. Parents who believe that they have a child who may qualify for special services or programs under Section 504 should contact the Campus 504 Coordinator at the home campus. In addition, parents who believe that they have a child who may qualify for special education services or programs under the Individuals with Disabilities Education Improvement Act (IDEA) should contact the home campus office for more information.

**Textbooks:**
Textbooks are one of many instructional resources initialized in Katy ISD. Some textbooks are printed and bound while others are available online. All textbooks are the property of Katy ISD. State-approved textbooks are provided free of charge to students. Students shall treat textbooks with care and must keep the textbooks covered at all times. A student who is issued a damaged book should report that fact to the teacher at the time the textbook is issued. Fines, up to the actual replacement cost of the textbook, will also be assessed for damage based on severity. It is important to note that textbooks can be expensive, ranging in price from $25 to over $100 depending on the book. A student failing to return a textbook issued by the school shall lose the privilege of having textbooks assigned until the book is returned or paid for by the parent or guardian. A student owing for textbooks shall be allowed to use textbooks at school during each school day.

**X. Responsible Use Guidelines**
Refer to Katy ISD *Discipline Management Plan & Student Code of Conduct* for detailed information regarding District expectations for responsible use of electronic devices and applications.

**XI. Student Welfare**

**Asbestos Management Plan:**
The District is committed to providing a safe environment for workers, building occupants, students, parents, and legal guardians. An Asbestos Management Plan has been developed to address all Asbestos Hazard Emergency Response Act (AHERA) and Texas Asbestos Health Protection Act (TAHPA) requirements. A copy of the
District’s Asbestos Management Plan is available at each campus for review. The plan contains information on friable and/or non-friable asbestos-containing building materials (ACBM). 40 CFR 763.93 and KATY ISD POLICY CKA (LEGAL)

**Integrated Pest Management (IPM):**
Decisions concerning whether or not pesticides should be applied in a given situation will be based on a review of all available options. Efforts will be made to avoid the use of pesticides by adequate pest-proofing of facilities, good sanitation practices, selection of pest-resistant plant materials, and appropriate horticultural practices. When it is determined that a pesticide must be used in order to meet pest management objectives, the least hazardous material, adequate for the job, will be chosen. Signs will be posted 48 hours before application. Parents who want to be notified prior to pesticide application inside their child(ren)’s school assignment area may contact the District’s IPM Coordinator at 281-396-2514. Additional information can be found on the Katy ISD website, [www.katyisd.org](http://www.katyisd.org). The consumer information sheet can be downloaded from the Texas Department of Agriculture site: [www.texasagriculture.gov](http://www.texasagriculture.gov).

**XII. Transportation**

**Bus Eligibility:**
To be eligible for regular bus transportation services, elementary students must live beyond approximately ½ mile from school property. Parents may confirm bus eligibility at [https://apps.katyisd.org/public/katyisdcampusmap/](https://apps.katyisd.org/public/katyisdcampusmap/) and inserting the residence address.

**Bus Notes:**
From time to time it is necessary for a student to ride a bus other than the one to which the student is assigned. Before students may ride any bus other than their own or get off at a different stop, the principal/designee must approve a note from the parent requesting that a different bus be ridden. The note must include the student’s name, the number of the bus to be ridden, the date the student needs to ride the bus, and the reason for the request. The note must be signed by the parent and include work or cell and home phone numbers. The student must turn the bus note into the front office before noon.
Generally, a request to ride a different bus is for one day only. If the request is for an extended period, the transportation department must also approve it.

**Bus Drop-Off:**
It is suggested that a parent or other responsible party be at the bus stop or home five minutes prior to bus arrival at the end of the school day. In the event that a parent is unable to be home when a student arrives at the bus stop, alternate plans should be made by the parent with the child. Depending on the age of the student, plans may include where to go, how to find a hidden key, going to a neighbor, etc. For safety purposes, each student should know his/her full name, address, and phone number to reach an adult family member in an emergency. Kindergarten students must have a responsible adult or older sibling receive them at the bus stop. Should there be no one at the stop to receive the student, the child will be taken back to the school for the parent to pick up. Should this occur more than once, the second time will serve as a final warning, and the third occurrence will result in the child losing bus riding privileges.

**Student Trips:**
Students are required to ride to and from school-sponsored activities in District-provided transportation. In the event of an extenuating circumstance involving a conflict between two (2) school-sponsored activities occurring on the same day, the parent may complete a form to obtain approval from the director/sponsor and campus principal or designee for parent-provided transportation from the first activity to the second activity.

All students must return with the group unless prior to the trip a parent/guardian submits a Request for Post-Activity Student Release or a written request for approval to have his/her son/daughter released to his/her custody at the completion of the activity. Approval of the director/sponsor and campus principal or designee must be obtained prior to the departure of the group.

All designated chaperones are required to ride the school bus or other district approved transportation. Chaperones are expected to help maintain order and appropriate student conduct.
Chaperones and school personnel whose purpose is to provide adequate supervision will not bring family or friends. Adults traveling with the group must be designated chaperones.

**Walkers:**
Students who walk to school should walk on sidewalks where available and cross streets in the crossing zone or at an intersection. Students must adhere to the directions of the crossing guard or other adults. Students who walk home are expected to leave campus promptly after the dismissal bell. Pre-K - 1st grade will not be allowed to walk home independently. Every child/family should be issued a dismissal tag to ensure they are matched to parent(s) or designated adult. If a kinder or first grade student walks home with an older sibling, parent permission should be in writing. According to *Katy ISD Discipline Management Plan and Student Code of Conduct*, skateboards and roller blades are not permitted on campus. Bicycles should be walked while on district property. Family dogs (leashed) are to remain off campus property to prevent a child from becoming fearful or possibly injured.

**Homeless Students:**
As required by the McKinney-Vento Homeless Education Assistance Improvements Act, the district shall serve homeless children according to their best interests. Any parent or student who desires more information regarding homeless students may contact the Homeless Liaison, at 281-396-2612. KATY ISD POLICY FFC (LEGAL)

**XIII. Safety/Security**

**Emergency Contacts on Enrollment Card:**
Each year parents/guardians are asked to designate persons on a student’s enrollment card who can be contacted in the case of an emergency occurring at school when a parent/guardian cannot be reached. An emergency may be as simple as a child with fever who needs to be taken home to a child who needs to be taken to the hospital via an ambulance for a severe medical condition. As a reminder, the enrollment card states, “Emergency contacts are only authorized access to information regarding the student and authority to transport the student in an emergency situation occurring at school when the parent/guardian cannot be reached. At any other time, emergency contacts have no rights regarding
the student and must have written authorization from the parent/guardian for a specific date/time to pick up the student from school.” It is important that the names and phone numbers listed for emergency contacts are accurate at all times.

Playground Safety:
Students will have an opportunity to play on the school playground during recess while supervised by teachers/staff. Students are encouraged to wear rubber bottomed, closed-toe shoes for safety. Shoes must be worn at all times while on the playground. Students must follow all safety rules and procedures established by each campus. No visitors are permitted on the playground during school hours without campus permission.

SpeakUP:
SpeakUp, an anonymous reporting system, empowers Katy ISD students, parents, and community members to anonymously submit safety and well-being tips to help prevent school-related incidents that could cause harm to others. In addition to submitting anonymous and secure tips, users can upload video and photo evidence. All tips are thoroughly investigated by campus personnel, police, and/or crisis management team. Students are encouraged to share information of a serious nature by submitting a tip through SpeakUP or telling an adult personally. By being well informed, the school can prevent most problems from happening.

School Closing/Late Start:
Inclement weather, power failure or other conditions beyond the control of Katy ISD may make it necessary to alter the school day. Should inclement weather or other conditions necessitate the closing of schools or a delayed start, all major Houston metro-area media will be notified. This information is provided by 6:00AM, prior to the scheduled start of school or as soon as possible if school has already started. It is also available on the Katy ISD website.

Security:
Safety and security of students and employees are of utmost importance. To help ensure the safety of all children, the procedures listed under Visitors in this handbook should be followed. In addition,
• ANY visitor WITHOUT a name tag will be taken to the front office to register.
• Students and staff are NOT to open the Cafeteria/Gym/Exterior doors for visitors.
• Exterior doors are locked after school begins.
• All late arrivals should enter through the front doors.
• Approved after school programs are to keep all exterior doors locked at all times.
• The building is officially closed at 4:15PM daily.

The front office phones will be answered until 4:25PM.
### Calendar Highlights

**July**
- 4th: Holiday • Staff

**August**
- 1-2: New Teacher Professional Learning Days
- 6: Convocation
- 7: Secondary District Professional Learning Day
- 8: Elementary District Professional Learning Day
- 9: Campus Professional Learning Day
- 12: Campus Professional Learning Day
- 13: Teacher Preparation Day
- 14: First Day of Fall Semester

**September**
- 2: Holiday • Students and Staff
- 18: Family Night (No Homework Assigned)
- 23: New Teacher Professional Learning Days

**October**
- 7: Early Dismissal - Elementary Parent Conferences and Secondary Professional Learning
- 12: Family Night (No Homework Assigned)
- 16: Early Dismissal - Elementary Parent Conferences and Secondary Professional Learning

**November**
- 4: 3rd Secondary Grading Cycle Begins
- 25: Thanksgiving Break Begins • Holiday • Students and Staff

**December**
- 4: Family Night (No Homework Assigned)
- 20: Early Dismissal, End of Semester
- 23: Winter Break Begins • Holiday • Students and Staff

**January**
- 1-3: Winter Break • Holiday • Students and Staff
- 6: Teacher Preparation Day
- 7: First Day of Spring Semester
- 20: Student Holiday

**February**
- 14: Early Dismissal for Campus Professional Learning
- 17: District Professional Learning Day • Student Holiday
- 18: 5th Secondary Grading Cycle Begins

**March**
- 4: Family Night (No Homework Assigned)
- 9: Spring Break Begins • Holiday • Students and Staff
- 16: 4th Elementary Grading Cycle Begins

**April**
- 3: Early Dismissal for Campus Professional Learning
- 6: 6th Secondary Grading Cycle Begins
- 10: Holiday • Students and Staff

**May**
- 6: Family Night (No Homework Assigned)
- 15: Last Day of School for Graduating Seniors
- 21: Early Dismissal, Last Day of School
- 22: Teacher Preparation Day

**June**
- 23: Holiday • Staff

**June - July**
- The District will be closed June 29 through July 3, 2020.

**Bad Weather Make-Up Days:**
- Jan. 20* • Feb. 17*

*If used, employees will need to make up the day on a Saturday.

This calendar contains enough minutes to cover bad weather days.

**Note:** Adjustments may be necessary upon the final release of the 2019-2020 TEA testing calendar, specifically to possible testing dates in April and May of 2020.
Welcome to Katy Elementary! We are so pleased to have you as a part of our school community! This handbook provides information concerning specific campus policies and procedures. Please become familiar with the information provided. If you ever have any questions, contact the school at 281-237-6550.

Mission Statement
Katy Elementary, in partnership with family and community, provides unparalleled learning experiences designed to help each child develop a lifelong love of learning and live an honorable, fulfilling life, prepared to create the future

Katy Elementary School
Parent-Student Handbook Supplement

Accelerated Reader
Accelerated Reader is a computer program that enables students to take tests over books that they read and used as an incentive program to encourage reading. Points are assigned to each book based on the reading level and length of the book. Points are accumulated and then spent at PTO-sponsored AR Bookstores held throughout the year. Katy Elementary has purchased, with the assistance of the PTO, access to all available tests. Not all AR tests are for books owned by this library.

The following policies have been adopted by Katy Elementary:

1. Tests can be read by staff, library volunteers or teachers to students in kindergarten and first grades, upon student request. (Exceptions to this will be made on a student by student basis as determined by individual student accommodation plans).
2. Tests are to be taken on campus during specially designated times established by the classroom teacher and/or librarian.

Arrival and Dismissal Procedures
Students are to arrive no earlier than 7:40 AM. Teachers are not available to supervise students prior to that time and KE will not subject children to any circumstance considered unsafe. Parents of students arriving prior to 7:40 AM will be notified by an administrator. Students arriving at school at 7:40 AM will be directed to go straight to class. Breakfast is served to students in the cafeteria from 7:40-8:00 AM. Students wishing to eat breakfast at school should arrive by at least 7:50 AM to minimize loss to instructional time which begins at 8:00 AM. Students arriving after 8:00 AM will be
counted as tardy. Parents may not escort their children to class except for the first three days of school. Dismissal begins at 3:20 PM. The following guidelines regarding arrival and dismissal procedures are to ensure the safety of all students and will be enforced at all times:

1) Locations of arrival and dismissal for each method:
   a) “Parent Drive” – Parents are to drop-off and pick-up students in the driveway located at the front of the school on George Bush Drive. The car line-up should continue to Avenue A entering the line only from the end. Cars should not cut into the line from George Bush Drive, or from the south side of Ave. A. Vehicles in the drive should always pull all the way to number 1 when dropping off students to allow for the maximum number of cars in the drive at one time. During dismissal, staff will assign vehicles a number in the drive where their designated child/ren will be waiting for pick up. Cars are not allowed to park in the designated fire lane. The drive should remain clear for emergency vehicles at all times except when staff is present to direct cars during arrival and dismissal. The crossing guard and/or school staff will direct cars into the drive for unloading and loading purposes.
   b) “Bus Drive” – The bus loading/unloading area on the west side of the building (on Avenue C) is strictly reserved for buses both in the morning and afternoon. Cars are NOT allowed in the bus drive when buses are loading/unloading. Students will exit/enter through the west doors.
   c) “Bikers/Walkers” – Bike riders and walkers are to use the doors at the southwest corner to enter and exit the building. Walkers are students who live within walking distance of the school. Parents are not allowed to park down the street and have students walk to meet them at dismissal. These students will be dismissed to the parent drive.
   d) “Daycare Vans” – Commercial daycare vans will drop off and pick up students in on the street west of the front entrance at dismissal, near the historical marker. Students will be unloaded and loaded by school staff.

2) Parents using the Parent Drive and crosswalks are required to post the parent pick up sign provided to each parent, made by the school. The sign must be posted in the front windshield to pick up students in the drive or shown to school personnel at the crosswalk areas for release of walkers/bike riders. For safety reasons, cars and parents without the school provided sign will not be able to pick up a child in the drive or crosswalk area and will have to show proper identification to the front office before a student is released to their care. Additional signs will be provided at the front office upon request.

3) Parents walking through the line of cars in the “Parent Drive” requesting an exception will be asked to follow the dismissal procedures described in this section. Parents should not leave their vehicles unattended while waiting in the parent pick up line.

4) Parents picking up a student early are to park in the teacher parking lot (entrance on Ave. C). The parent must walk to the main entrance of the school to sign the child out in the office. Due to student movement during dismissal, student check out from the front office will stop from 3:00-3:40 PM. The parent and student will exit through the front doors of the building, and walk together across the street, at the corner of George Bush Drive and Avenue C, to the parking lot.

5) Pedestrians crossing streets and walking between vehicles in the Parent Drive, Daycare Van, and Bus Drive areas are strictly prohibited during arrival and
**dismissal.** Parents wishing to walk students to doors are asked to park in the lot (entrance on Ave. C) and cross George Bush at the Crossing Guard.

6) If there is a change in a student’s normal dismissal procedures, a written note to the teacher or call to the front office must be made indicating the change prior to 3:00 PM.

7) Parent phone calls for changes in the student’s procedures for going home will not be accepted after 3:00 PM. Changes to transportation messages to children should be infrequent. Try to predict situations and inform your child and his/her teacher prior to coming to school. Frequent changes to transportation often lead to confusion and increase the possibility for error. Phone messages indicating changes in a student’s dismissal procedure are hand delivered at 3:00 PM. Written notes to teachers should be sent by 8:00 AM. **Parents should also communicate changes to daycare providers to avoid confusion and delays at dismissal loading students into daycare vans.**

8) Check outs from 3-3:20 PM should be used for emergency use only as interruptions disturb instructional time.

9) Students/parents are not allowed to return to the classrooms after dismissal to retrieve items, due to security issues.

* See “Rainy Day Dismissal Plan” for additional information.

**Art**
Students in grades 1-5 will attend art classes for 50 minutes on a four day rotation. Kindergartners have art twice a week for 25 minutes. The art teacher integrates art history into the lessons while teaching techniques of several art media in an effort to give each child a lifelong appreciation of art. A student’s art work may be selected to represent Katy Elementary in various contests throughout the school year. Fifth grade students may be selected as “Artist of the Month”.

**Backpacks**
Due to safety concerns, students may only use **non-rolling backpacks**. Students with medical reasons to use rolling backpacks will be addressed through the assistant principal and nurse.

**Bicycles**
Students riding bicycles to school are to park them in the bicycle racks. It is the student’s responsibility to provide a lock and ensure the bicycle is locked securely. To ensure the safety of all, **bicycles are not to be ridden on school grounds during arrival and dismissal.**

**Buses**
Bus transportation is provided free of charge to students who meet the district’s transportation requirements. Transportation is provided at the beginning and ending of the full school day. Parents of pre-kindergarten students are responsible for providing “noon-time” transportation.

Students must ride his/her designated bus unless a note is signed by the parent/guardian and then initialed by an administrator. The note should then be presented to the bus driver,
and should be done on a limited basis. Due to overcrowding on many of our buses, students may be prohibited from riding a bus he/she is not regularly designated to ride.

**Bus Rules**

1) Speak kindly, using appropriate language at all times, using a level 2 volume.
2) Obey and respect the bus driver and other students at all times.
3) Keep hands, feet and all objects to self at all times.
4) Remain seated at all times in assigned seat until time to unload at stop.
5) Keep food, toys, and cell phones in backpack at all times.

**Consequences for Misbehavior on the Bus**

1st Referral – Conference with administrator/student placed on probation/parent called
2nd Referral – Conference with administrator/student suspended from bus for a minimum of 3 days/parent called
3rd Referral – Conference with administrator/student suspended from bus for a minimum of 5 days/parent called
4th Referral – Conference with administrator/student suspended from bus for a minimum of 10 days/parent called
5th Referral – Conference with administrator/student suspended from bus for a minimum of semester/parent called

**Note:** In the case of a severe behavioral infraction, bus privileges may be revoked immediately.

**BEAMing Katy Kids**

Fourth grade students are selected to serve as members of this group, based on teacher recommendation and administrator approval. Students are selected based on citizenship characteristics and serve as role models to peers to promote and encourage positive student interactions. Students perform various forms of service throughout the year. To remain active, students must maintain passing grades and demonstrate satisfactory conduct.

**Birthdays**

Invitations for birthday parties or other special events may not be distributed at school. Due to privacy laws, teachers cannot provide parents with contact information for other students. Parents may send individual birthday treats (i.e. cupcakes, cookies) for the child to share with the homeroom class on his/her birth date. These treats must be purchased at a store with all ingredients clearly labeled. Parents should contact the homeroom teacher prior to sending treats as there are students with severe food allergies. Treats will be labeled and kept on a cart at the front office until the teacher picks them up to distribute at recess. Treats not complying with these guidelines will not be accepted or distributed. More information regarding birthday treats can be located in the front section of this handbook.

**Business / School Partnerships in Education (PIE)**

Business/school partnerships play a vital role in supporting our school. Business partners can provide student/teacher incentives, additional resources, mentoring, volunteer services, demonstration assemblies, etc. If you own a business or work with one which may be interested in participating in this program, please contact the assistant principal.
Citizenship Badges/Ribbons
Citizenship ribbons are awarded to students who display good citizenship. Promoting good citizenship is important and highly encouraged. The ten attributes are: Altruism, Leadership, Responsibility, Courtesy, Helpfulness, Honesty, Respect, Neatness, Perseverance and Optimism. The staff member submits the student’s name on an “I’m a Katy Elementary Star” slip to the front office. The student is acknowledged for his/her citizenship trait during morning announcements. Following announcements, the student will be awarded an attribute specific ribbon to wear proudly.

Counselor
The school counselor works as part of a team with the school staff, parents and the community to create a positive school climate and to help students prepare for the future by becoming healthy, competent and confident learners. The counselor's goals align with the school's mission to support the academic achievement of all students. The school counselor assists students in gaining knowledge in areas such as positive character traits, healthy attitudes, strong work ethics, responsible and respectful behaviors, positive social skills and effective problem-solving strategies to help promote and enhance student success and overall well-being.

The comprehensive counseling program consists of core essential guidance lessons/activities designed to teach positive character traits, individual student planning sessions designed to assist students in improving personal goals/behaviors, and responsive services designed to meet students' immediate needs and concerns. The counselor is also available to collaborate and consult with parents and provide references when needed.

Working together with both the school staff and parents on the same team always benefits the students. Please do not hesitate to contact the counselor either by phone or email if necessary.

Discipline
A positive learning environment is of primary importance in helping students benefit from their school experience. Appropriate behavior and self-discipline are expected and encouraged from students at Katy Elementary at all times. Appropriate behavioral expectations and established school-wide procedures are taught/practiced in classroom sessions throughout the school year. Students exhibiting unacceptable behavior will be disciplined according to campus/classroom discipline plans and the Katy ISD Student Code of Conduct. Our approach to discipline is through a positive expectations system with posted rules, rewards, and consequences. Each grade level has a version of the program geared to the specific level. The discipline plan is sent home at the beginning of every year for parents and students to read and sign. Communication logs are utilized at each grade level to provide daily communication to parents in regards to students’ work habits and conduct. Parents are strongly encouraged to review the information daily with his/her child to praise positive behavioral choices and review strategies for improving behaviors on any entries noted for the day. Our campus goal is to work cooperatively with parents to assist students in making appropriate behavioral choices and becoming honorable citizens. Students and parents are strongly encouraged to immediately report issues regarding safety and inappropriate behaviors to a staff member to ensure a safe and secure learning environment at all times.
Carefully read the Katy ISD “Discipline Management and Student Code of Conduct” handbook and the grade level discipline policy distributed the first day in order to become familiar with the appropriate student behavior expectations.

**Dress Code**

At KE, our students dress for success each day. In addition to following the dress code outlined in the Katy ISD Discipline Management and Student Code of Conduct handbook, our campus dress code is designed to encourage students that learning is a job and the way they look communicates their positive attitude to others. Saggy pants or long shirts are not allowed. Shorts should be middle fingertip length. Tank tops should be at least two fingertips or wider. Clothing with holes or exposing undergarments are strictly prohibited. Visible tattoos are not permitted, even if temporary. Hair color should be a naturally occurring color. Parents will be contacted by a teacher or administrator to address dress code concerns. Repeated violations of the dress code policy will be addressed as a disciplinary matter. Our dress code promotes a neat appearance, free from distractions and conducive to learning for all.

**Emergency Procedures**

KE conducts routine drills for all types of emergency situations. Parents on campus are expected to participate in the drills. During a real school emergency, school officials will send out important notifications and updates to parents through emails, text messages and/or phone calls. **Parents should make sure all contact information is current in the Home Access Center (HAC) to ensure all communications will be received, especially in the case of an emergency.**

**Guardianship**

Please notify the school of a change in your children’s living status (divorce, marriage, death of a parent, change of guardianship, etc.). This provides the school documentation of educational rights pertaining to the child.

**Homecoming Mums**

Homecoming mums are not allowed to be worn at school to maintain a learning environment free from distractions.

**Home/School Communication Procedures**

Our school strives to work in partnerships with parents to foster student growth by maintaining open lines of communications. When situations arise which cause concern, knowing the proper steps to follow may greatly facilitate efforts to resolve the matter at hand. Most concerns can be resolved by directly contacting the teacher involved and discussing the matter. **Please give teachers and/or staff member the courtesy of the first contact regarding a concern.** Staff can be contacted via Katy ISD email or by phone. All staff is strongly encouraged to return phone calls or respond to emails within 24 hours, when possible. In most cases, a parent/teacher conference can resolve issues. Since teachers go on duty at 7:40 AM, they are not available for unscheduled conferences during the day. It is best to call and/or email the teacher first. If the parent/teacher conference does not resolve the matter, then the next step is to contact an administrator by email or phone.
Our school uses many forms of communication to keep parents informed. Please ensure all contact information is updated and current to ensure continued receipt of all campus, grade level and teacher messages. Parents are asked to notify the front office and teacher whenever they are not receiving updates and messages from the school.

**Homework**
The following guidelines apply to homework:

1) Homework is designed to provide reinforcement or practice of skills previously taught. A child should never spend inordinate amounts of time on homework. If this is the case, discuss it with the teacher immediately.
2) Each grade level has a homework policy that is communicated to parents.
3) Additional resources to support student skill development are available on the campus and Katy ISD websites.

**Invitations**
Invitations to birthday parties or other private events may not be distributed at school. Due to privacy laws, teachers and staff members are unable to share student names and contact information to parents. Parents may obtain access to a student directory by joining as a member of our PTO. Any private party invitations passed out to students will be taken up.

**Leaving Campus – During the School Day**
Students are not allowed to go home or off campus for lunch. Students needing to leave during the school day for dental/doctor appointments may leave school by checking out through the front office. The parent or guardian must show identification to sign the student out in the office. Please try to schedule appointments so that your child will be in class for the majority of the instructional day.

When the parent arrives, the student will be called to come to the office while the parent signs the student out. Parents are not allowed to go the room to pick up a student. If the student returns during the school day, the student must obtain a tardy slip from the office prior to returning to class.

**Library**
The library is an integral part of students’ learning experiences. All types of instructional and educational resources are available in the library. Students have access to the library throughout the school day. Parents are responsible for any materials checked out by students. If a book is lost or damaged, a replacement fee is required so the material can be replaced by the library media specialist. The damaged item will then be disposed of as per Katy ISD’s property disposal procedures.

The library may contain print and non-print materials that some parents may not find suitable for their child. Students have unrestricted access to most materials in the library, and the library staff will not restrict the child’s choice of library materials. Self-selection is encouraged. Parents should familiarize themselves with the materials a child borrows from the library media center. It is the parent’s responsibility to determine any restrictions limiting access to materials for his child and to discuss those restrictions with the child.
The librarian looks forward to fostering each child’s academic achievement and provide materials to meet all reading and informational needs. Students in grades PK-5 will be flexibly scheduled into the library to do research and participate in library lessons that support the curriculum in content areas, as well as having time to check out books weekly. Fourth and fifth graders may check out up to 3 books at a time. Students in grades 1-3 are allowed to have two books checked out at a time. Students in grades Pre-K-K may have one book checked out at a time. The books are due one week from the day they are checked out. There may be a variance if the month has a holiday. Student checkout is available throughout the school day.

**Overdue Books** – Each time a student checks out materials, he/she will be told orally if there are any overdue books. Once a week, the students will be given a computer-generated notice of materials that are at least two weeks overdue. Parents are notified by letter when students have materials overdue for four weeks. The replacement cost will be charged for lost books; fines will be charged for damaged books.

Volunteers are always appreciated in the library. Shelving books, reading to classes, and assisting students to locate books are just a few of the ways they can provide support.

**Lost and Found**
All items of clothing, lunch boxes and supplies should be labeled with the child’s first and last name so lost items can be returned. There are several “Lost and Found” locations on campus. All valuable-type lost and found articles can be claimed in the office (watches, rings, glasses, money, etc.). Other articles can be claimed in the lost and found area located in the cafeteria. Teachers may also keep a “lost and found” area in their classrooms. Parents and students are encouraged to look through the “lost and found” areas periodically to claim lost items. Unclaimed items are donated to Katy Christian Ministries periodically throughout the year.

**Lunchroom/Cafeteria**
Seating at lunch is limited in our cafeteria. In order to provide maximum seating opportunities for guests during lunch, we ask that all follow these requests:

- Limit visits to birthdays or a maximum visit of once per week
- Visitors limited to a maximum of 3 per student and must be persons who meet visitor guidelines for elementary students
- Lunch visitors will not be permitted on early dismissal days and during the first three weeks of school, except for a child’s birthday.
- Avoid Mondays, Fridays, and days before holidays, if possible
- Sit side by side at the visitor tables to provide maximum seating availability
- Visitors must sit with their child only at a table designated for visitors

We do not want to turn visitors away at lunch, but our first obligation is to provide optimal seating for students. We are hopeful that if all parents follow these requests, our school will continue to have daily seating available for all who wish to have lunch with their child/ren. Thank you for your consideration of this request. Please plan ahead to arrive promptly prior to your child’s lunch time, as it is often upsetting to children when a parent arrives late and the lunch visit is shortened. Additional information regarding visitors and lunch procedures is located in the front section of this handbook.
**Minute of Silence**
Each KISD school begins every day with a minute of silence for the students to reflect on their day’s activities. All on campus are asked to remain still and silent during this time.

**Money/Valuables**
Money and valuables are not to be brought to school. The school is not responsible for loss or damage to personal items.

**Music**
KE is focused on giving each child a lifelong appreciation of the arts through hands-on musical experiences. Singing, playing Orff and rhythm instruments, listening activities, reading music and playing a variety of musical games are a part of the curriculum for each grade level. Kindergartners attend music class twice a week for 25 minutes. Students in grades 1-5 have a 50 minute music class every fourth day.
All fifth graders are invited to join the Katy Elementary Choir or Katy Elementary Instrumental Ensemble. Additional information regarding practices and requirements will be provided to students and parents by the music teacher at the beginning of the school year. Our KE ensembles have several performances throughout the year, both at school and off campus venues. Students must meet state mandated UIL eligibility requirements to participate in off campus events. Students are evaluated according to participation and behavior during classes, rehearsals and performances. Those who do not adhere to membership requirements will lose participation privileges.

**Pictures**
School pictures are taken two times during the year. Individual and group pictures are taken in the fall. Retakes will be scheduled for only the individual pictures taken.
All students coded for permission to appear in the yearbook will have their individual picture taken for the yearbook. Students purchasing individual pictures have a choice of package sizes. All students coded for permission to appear in the yearbook will be in the group picture.

**Principal/Assistant Principal**
The principal and assistant principal are involved in all aspects of the educational processes that maintain an effective school. The principal and assistant principal are always pleased to meet with parents to support students. You can contact either at any time by phone or email.

Parents are encouraged to discuss academic or behavioral concerns with the staff involved prior to contacting the principal or assistant principal. In most instances, a call or conference with the staff member is able to provide clarification or clear up concerns. If an issue is not resolved, parents are asked to contact an administrator for assistance.

**Progress Reports**
Every student in grades 1-5 will receive a progress report midway during each of the nine week grading periods.
PTO
Katy Elementary enjoys the support and involvement of an active PTO (Parent Teacher Organization). All parents are encouraged to join the PTO which provides support to students all year long. The PTO is very generous in purchasing items for the school, providing field trips, funding staff development, and purchasing items for classrooms. The PTO is always looking for volunteers to assist with its many projects throughout the year.

Rainy Day Dismissal Plan
We sometimes experience rain at dismissal time. Students will not be dismissed as walkers or bike riders if the following weather conditions exist:
- It is raining hard enough for your child to get wet
- There is lightning or thunder in the area
- The Katy area is under a severe weather watch or warning issued by the National Weather Service.

Walkers and bike riders will automatically be placed in our parent pick-up area on rainy days. Students are permitted to call and inform parents when rainy day dismissal plans have been determined. Parents or a person designated by the parents will need to pick the student/s in the parent pick up line in the front driveway. If you wish to make other arrangements for rainy days, please send a note to your child’s teacher.

Report Cards
Katy ISD uses a computerized grade reporting system for report cards. Parents have access to view grades online using the Home Access Center (HAC). Report cards will be sent home approximately one week from the end of a nine-week grading period.

Roses. Hearts. and Hugs
Roses, Hearts, and Hugs days are a tradition at Katy Elementary School. On two days during the school year, one in the fall and one in the spring, notes and treats are provided by students, parents, and teachers to KE faculty and staff members. The practice of acknowledging and thanking others through forms of written encouragement is beneficial to both the sender and receiver. Assist our community in maintaining a special atmosphere of warmth, caring for others, and much cheer among our KE family by encouraging your child to write notes to different staff members on these two days.

Safety and Security
For security reasons, all school doors are locked except for the main entrance during the school day. The safety of KE students and staff is a top priority. To gain access to the building, all must present a valid form of identification before being allowed to the front office. To supplement existing security measures, Katy ISD utilizes a visitor tracking system (RAPTOR) year on all campuses. The system logs visitors as they enter and exit the campus, produces visitor badges and electronically checks visitors against the sex offender database. Every visitor entering the campus and wanting access to move past the front office area must present a driver’s license, military or peace officer identification, passport, work VISA or green card. The visitor must state the location/s that will be visited while on campus. Other locations should not be visited if not indicated on the badge. Visitors must return the visitor badge to the front office when the visit is completed in
order to be logged out of the system. The visitor also must turn in the badge at the front office. Siblings who are old enough to have a driver’s license or identification card and are with the parent/guardian should also be scanned. Parents/guardians assisting with field trips must also be scanned and receive a RAPTOR badge prior to going on the trip.

**Safety Patrol**
The Safety Patrol is a trained group of fifth grade students organized to promote safety around the school. These students are recognized as leaders of KE. This group is also in charge of raising and lowering the flags each day. Students serving as patrol members rotate throughout the year.

A designated staff member will organize, instruct, and maintain the Safety Patrol. Fifth grade students must complete an application to apply for a position. Members are selected and assignment schedules are distributed shortly thereafter. Students on Safety Patrol must maintain satisfactory grades and conduct to remain active.

**School Parties**
Two one-hour school parties are permitted each year – a winter and a spring party. Both parties are sponsored by the PTO room parents in conjunction with the school. Room parents are in charge of facilitating the party. Due to safety concerns and spacing limitations, younger siblings are not permitted to attend these parties.

**Withdrawal from School**
Parents are to notify the attendance clerk at least twenty-four hours in advance when a child is withdrawing from school. A withdrawal form will ensure that the child’s classroom/library books and any other materials are returned. The parent will be requested to come to the office to finalize the withdrawal and sign the withdrawal form. After the first day of school, if a family moves, the parent must notify the campus registrar. All attendance information provided by the parents must be current and accurate for students to remain enrolled. Additional information regarding enrollment requirements can be found on the Katy ISD website.

---

**KATY ELEMENTARY SCHOOL SONG**
Oh, when the Katy Kids walk down the street,
They look a hundred per from head to feet.
They’ve got that smile, that style, that winning way,
And when you look at them, you’ll recognize their way,
And say, “Now there’s a kid I’d like to know!”
They’ve got that Katy spirit, pep and go, pep and go!
To look at them is quite a treat, can’t be beat, Katy Kids!
NOTES
NOTES
It is the policy of Katy ISD not to discriminate on the basis of sex, disability, race, religion, color, gender, age, or national origin in its educational programs and/or activities, including career and technology programs, nor in its employment practices and to provide equal access to the Boy Scouts and other designated youth groups.
