

General Screening for the 2020-2021 Katy ISD Gifted and Talented Program:

All interested students who have not already been screened this school year for the G/T program may pick up a Parent Checklist from the Counselors' office beginning Monday, November 11, 2019. Transfer students who were screened in Fall 2019 must wait one full academic year before they can be rescreened.

At the secondary level, students are screened based upon specific subject matter aptitude in one or more content areas. In the screening phase of the identification process, multiple quantitative measures (standardized test scores) and qualitative measures (data gathered from parents and teachers) are examined. Students who meet district criteria for GT placement are eligible to participate in the subject area for which they qualify for the GT program. Screening is available for GT service in the areas of language arts, math, science, and social studies.

The Parent Checklist must be returned to the main office no later than 4:00 pm on Wednesday, December 4, 2019. Please note that this is a firm deadline.

You may also download the form by clicking on the link

This QR code is for the Katy ISD web page where you can download a Secondary Parent Checklist and find more information about the Secondary GT Program.

The Request for Additional Screening form needs to be picked up from the counseling offices or email your facilitator for one.

Additional Screening for Students:

GT

Students who are already in some GT classes, but wish to add other GT courses for next year should pick up a Request for Additional Screening form in the counseling office from November 11, 2019 through December 4, 2019. You do not need a Parent Checklist.

The Request for Additional Screening forms are also due to the counseling office by 4:00 pm on Wednesday, December 4, 2019.

GT Awareness sessions for parents in both English and Spanish are scheduled on Tuesday, November 12 at 7 p.m. at the Education Support Complex, 6301 S. Stadium Lane, Katy, TX 77494.

If you have questions about the Gifted and Talented Program, please email daniellesanchez@katyisd.org (GT Facilitator for WMJH, BJH, MCJH, and SJH)
