

*Division of Teaching and Learning
Department of Curriculum & Instruction
Office of Federal Programs and External Funding*

MEMORANDUM

TO: All Principals

FROM: Kim Lawson, Ph.D., Executive Director for Elementary Curriculum & Instruction
Rhonda Ward, Executive Director for Secondary Curriculum & Instruction
Nakia Coy, Director of Federal Programs & External Funding

DATE: September 24, 2015

SUBJECT: **ONLINE INFORMATION ON HOMELESS STUDENT PROGRAMS/SERVICES**

The Office of Federal Programs and External Funding has received information regarding HB 1559 which requires each school post information on the campus website informing students and families of local programs and services available to assist homeless students. It also requires schools to make a good faith effort to compile the information and post it in a format and style that is easily understandable. In an effort to meet these requirements, campus content managers have been asked to post the following link by Friday, October 2, 2015 titled "Homeless Information" under the Quick Links section of the campus website: <http://www.katyisd.org/dept/fpef/Pages/Homeless.aspx>.

Contact Nakia Coy at nakiarcoy@katyisd.org or 281-237-2605, with any questions.
