

Algebra 1 Prep Session

Tuesday, July 31
Main Campus LGI
11:00 a.m. – 2:00 p.m.

Dear Parent/Guardian,

Understanding algebra is a key for success in future mathematics courses, including geometry and calculus. Many mathematics experts also consider algebra knowledge and skills important for post-secondary success as well as for producing a skilled workforce for scientific and technical careers.

This summer, the Tompkins math department will be offering an optional summer session to incoming freshmen taking Algebra 1 at Tompkins next year. The session will include a review of junior high concepts, an introduction to Algebra 1, and tips on being successful in a math course. The session will cost \$10.00 and will cover food and drink.

If your child is interested in attending, please complete the bottom portion of this form and return it with payment (cash or check) to the Tompkins High School main front office. Space is limited and will be on a first come, first serve basis. Make checks payable to OTHS/Algebra prep session.

To save time when you come to register, please have the bottom portion filled out
