Class Rank

Class Rank is based on a cumulative grade point average for grades 9-12, plus high school courses taken in junior high and credits earned virtually. A student's GPA is calculated by dividing the total number of grade points by the number of semester courses attempted. Students are officially ranked for the first time after the fifth semester in high school. A full year, one period course consisting of two semesters would be equivalent to one credit. One semester equals one-half credit.

Advanced Placement Program

In May 2018, 1386 students took 3402 AP Exams. Approximately 89.1% of test scores were 3 or better, which are scores typically necessary to receive college credit.
