# **A Video Message From Mr. Stocks**

---

**Take A Stand, Taylor**

---

- **You can't do this alone – pick a person that gives you the courage to do what is right.**
- **This is not necessarily limited to a single person.**
- **You may find yourself more comfortable with 3 or 4 people.**
- **Include your family.**

# **Pick an Encourager**

---

- **To yourself – know your line**
- **To your family**
- **To your chosen friend(s) – they are there for you and you are there for them**

# **Make a Commitment**

---

**Expect worse case  
scenario**

**Plan reactions in  
advance**

**Know your line**

**Make your exit**

**Have a Plan**

---

**If you find yourself without a safe ride home, here are some things to consider:**

- **Call a family member**
- **Use an app to call a taxi (like Uber, Yellow Cab)**
- **Phone a friend**
- **See if one of your other friends is leaving**

# **The Exit**

---

**If you see something that shouldn't be happening or is potentially unsafe, SAY SOMETHING.**

**Expect the unexpected.**
