Dear Parents:

In Katy ISD, students are encouraged to read for pleasure over the summer. Summer reading provides many advantages for students, including maintaining skills, fostering independent learning, and promoting a lifelong love of reading.

Additionally, students who enroll in PreAP or AP English courses in grades 6-12 are expected to read an appropriately challenging work of literary merit over the summer to create an initial common framework for course discussion and study.

PreAP and AP English courses offered in grades 6 – 12 are designed to develop reading, writing, and thinking skills necessary for success in these courses and the Advanced Placement examinations available upon completion of AP English courses. Students who are successful on Advanced Placement exams may be awarded credit for college English courses recognized by most colleges and universities.

Your child has requested **Language Arts 6E PreAP, Language Arts 6E PreAP/GT, Language Arts 6R PreAP or Language Arts 6R PreAP/GT** for the upcoming school year. For the summer of 2019, students will carefully read one of the following titles:

<table>
<thead>
<tr>
<th>Language Arts 6E PreAP, Language Arts 6E PreAP/GT, Language Arts 6R PreAP or Language Arts 6R PreAP/GT:</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Counting by 7s</strong> by Holly Goldberg Sloan</td>
</tr>
<tr>
<td><strong>Out of My Mind</strong> by Sharon Draper</td>
</tr>
</tbody>
</table>

The guiding question below provides the student with a focus for his/her reading. After classroom instruction, the guiding question and the summer reading text will provide the basis for discussion and writing in the fall semester.

**Guiding Question:**

What events advance the story, and how does each event lead to or foreshadow future events?

Students are encouraged to read additional books of their choice throughout the summer for enjoyment and to maintain literacy skills. Students will be expected to read widely from a variety of texts throughout the school year.

Encourage your child to complete this reading by the start of school in August. All students must complete the reading no later than Monday, August 19, 2019.
