## Notification of Status of Foreign Exchange Students

The foreign exchange organization sponsoring this student has been made aware that all foreign exchange students must be the equivalent of at least a 10th grader and **none shall be classified at a level higher than an 11th grader** because of the difficulty in interpreting course description equivalencies from schools outside of the United States. In order to be considered a full-time student, it is necessary to be enrolled in five periods -- four of which must be academic classes.
