

Do you know the difference between a swim lesson and learning to swim?

Join Katy Aquatics to find out!

Katy Aquatics utilizes the nationally recognized SwimAmerica program using a 10 step station-to-station progression method based on swimming technique, stroke mechanics and continued skills improvement.

SwimAmerica students are directed towards specific goals in each station and immediately rewarded for successful completion of these goals.

We offer:

- **SwimAmerica classes for ages 3 and up**
- **Small instructor/student ratio**
- **Private swim lessons**
- **Adult swim lessons**
