PAT PHELPS VOCATIONAL SCHOLARSHIP
for Katy I.S.D. seniors currently enrolled in**

**CAREER AND TECHNICAL EDUCATION
2009**

The Katy Elks Lodge is sponsoring two scholarships for Katy I.S.D. seniors who are currently enrolled in one or more Career and Technical Education Course(s). This scholarship is for seniors who have the desire to further their education in a technical-field of study. Students who have participated in a sequence of Career and Technical Education courses are eligible to apply for the scholarship. Pat understood that many students with an interest in careers that did not necessarily require a traditional 4-year college education also had the need for financial assistance in order to continue their education.
