DISTRICT STUDENT TRANSFERS

A parent or person standing in parental relation to a student may request the assignment of a student to a campus other than the campus to which the student’s residence is zoned (home campus). A district student transfer application may be submitted at katyisd.org. Applications must be submitted within designated timeframes posted on the webpage. Approvals are per school year; renewal applications must be submitted annually.

**Application Fee:** A non-refundable application fee of $35.00 ($10.00 for district employees) is required for processing each application. Transfer applications will not be processed until the fee has been paid and all required documents received. A transfer application may automatically cancel out of the system for failure to pay after a lapse of 30 days. The application fee is a processing fee only and does not alter the district’s transfer policy.

- Pay in person: payments may be made to the campus or Educational Support Complex (ESC) with exact cash or money order made payable to Katy ISD. Checks are not accepted.
- Pay online via **Pay N’ Go**: The student transfer fee will appear 24-48 hours after application submission.

**Open/Closed Campus Policy:** The Board of Trustees annually approve which campuses will be closed for transfers. Renewal applications may be approved to a closed campus under provisions allowed by the district’s student transfer policy.

**Participation in UIL:** Parents/Guardians should contact the Katy ISD Athletic Department at 281-396-7780 to verify if a student will be eligible for UIL participation at a new campus, or if transferring will result in the forfeiture of varsity eligibility for a year. Participation will be in accordance with all applicable UIL regulations and Board Policy FMF (LOCAL). Varsity athletic participation is based on UIL residency requirements for grades 8-12. The UIL residency rule applies to athletics only.

**Length of Approved Transfers:** Approvals are per school year; renewal applications must be submitted annually. Renewal applications are approvable only if the initial reason for the request still exists. Upon completion of a student’s education at one campus level, a new transfer application will need to be completed. There should be no expectation that a transfer will be accepted to a junior high or high school in the same feeder pattern. Exception: KISD full-time employees may request a transfer to continue within the feeder pattern of the school to which the child was transferred.

Failure to enroll a student at the approved transfer-to campus by the first day of the second week after transfer approval could result in an automatic transfer revocation.

**Inter District Student Transfers** – Students must reside within Katy ISD residential district within sixty (60) days of enrollment unless the dependent of a district employee.

**Intra District Student Transfers** – Student resides within Katy ISD residential district.

**District student transfers will not override an Attendance Boundary Modification approved by the Board of Trustees.**
