

Enabling WebPass: Home Computer

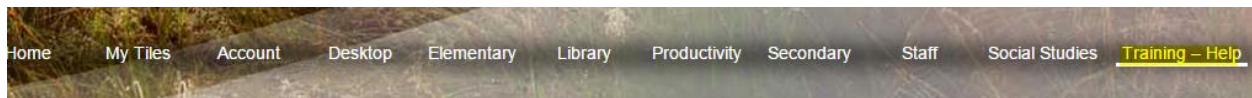

From [Mykaty Cloud](#) on the home page prior to logging in you can select **System Check** under Additional Links on Far left

If logged into [Mykaty Cloud](#) using your Katy ISD Login credentials

Go to Training-Help tab located at the bottom right of home page:

From IE, you will see **IE WebPass** icon, from Chrome, you will see **Chrome WebPass**, From Safari you will see **Safari WebPass** icon

Select the **WebPass icon** depending on which Browser you are running. From here you will be able to install the Extension it is a Free Install. This will make MyKaty Cloud function as a Single Sign on so you will not need to login to applications you will be automatically logged in.

Note: Please be sure to close the browser after the install to complete the sync process

For more information, [please visit our support site](#).
