

MyKaty Cloud: Library Applications

Within **MyKaty Cloud** all users will have access to numerous library applications using only one login.

Library Applications

To open your library tiles please use the **menu bar** displayed at the bottom of the home page. To navigate through the menu bar, hover and click on **Library**. You may have additional Library tabs depending on your tile settings.

Below is a visual of the library **applications** available on MyKaty Cloud. To access, click on the desired tile and you will be redirected to the program/website. Tiles that contain a corner indicator will not need additional credentials to access.

Corner Indicator Tiles
