

Open House features include:

- A Unique Format ~ Campus leaders host booths in a trade show format allowing our business guests to mix and mingle with the campus principal and campus partnership liaison from every school.
- Flexible Scheduling ~ There will be no formal program or presentation, so guests are free to come and go within the 8:00 AM - 9:30 AM time period. However, campus representatives will leave promptly at 9:30 AM to return to their schools, so please allow plenty of time to visit your desired number of campus booths.
- Student Entertainment and Continental Breakfast.
- Valuable Information ~ You'll receive valuable information about each Katy ISD campus, our district and all of our Partners in Education programs.

Note: Katy ISD Partnerships are based on relationships, not sales opportunities, so come ready to talk about getting personally involved by volunteering with your partner campuses!
