

Alton L. Frailey
SUPERINTENDENT

June 1, 2009

Dear New Katy ISD Teacher:

On behalf of our staff members, I would like to personally welcome you to the Katy Independent School District. You have elected to join an organization that is dedicated to a positive and challenging teaching and learning environment that leads to achievement for all students.

Through the combined efforts of staff, parents, students, and Board of Trustees, Katy ISD has been honored by SchoolMatch for its 17th consecutive "What Parents Want" award; a distinction earned by only 16 percent of districts nationwide, and is also a Recognized School District by the Texas Education Agency. In addition, our students consistently outperform students throughout the state on the Texas Assessment of Knowledge and Skills (TAKS), as well as outperform both state and national averages on college entrance exams.

As part of our commitment to your continued professional learning, we will provide you with two days of training designed specifically for teachers new to the district. New Teacher Orientation is scheduled for August 10 and 11, 2009. Please report to your home campus on August 10th from 8:00AM-4:00PM for campus professional learning, where you will also receive your schedule for the next day. On August 11th you will attend content/program training sessions at locations through the district from 8:00AM-4:00PM. You may also review specific new teacher information by visiting the Katy Independent School district website at www.katyisd.org. The *New Hire* link is on the home page.

We look forward to having you join our Katy ISD school community and know that your contributions will make a positive difference in the lives of the children we serve.

Sincerely,

Alton Frailey
Superintendent
