

2017 Bond Projects by Campus

CAMPUS/FACILITY NAME	PROJECTS
Elementary Schools:	
Alexander Elementary (RAE)	Emergency generator & fire alarm, security fencing, exterior light retrofits, Technology retrofit-tablets, document cameras, printers replacement
Bear Creek Elementary (BCE)	Paving/safety, exterior light retrofits
Bonnie Holland Elementary (BHE)	Security fencing, exterior light retrofits, Technology retrofit-tablets, document cameras, printers replacement
Cimarron Elementary (CE)	Roofing, security fencing
Creech Elementary (SCE)	Roofing, security fencing, exterior light retrofits
Davidson Elementary (KDE)	Technology retrofit-tablets, document cameras, printers replacement
Exley Elementary (JEE)	Security fencing, flooring replacement, interior light retrofits, security system retrofit – closed circuit TV, Technology retrofit-tablets, document cameras, printers replacement
Fielder Elementary (FE)	Comprehensive renovation
Franz Elementary (FES)	Paving/safety, flooring replacement, security system retrofit – closed circuit TV, Technology retrofit-tablets, document cameras, printers replacement
Golbow Elementary (GE)	Exterior light retrofits
Griffin Elementary (MGE)	Exterior light retrofits
Hayes Elementary (JHE)	Exterior light retrofits, interior light retrofits
Hutsell Elementary (HE)	Chillers, controls, roofing, exterior light retrofits
Katy Elementary (KE)	Controls, exterior light retrofits
Kilpatrick Elementary (OKE)	Roofing, security fencing, exterior light retrofits, Technology retrofit-tablets, document cameras, printers replacement
King Elementary (RKE)	Chillers, emergency generator & fire alarm, roofing
Mayde Creek Elementary (MCE)	Paving & safety, foundation work, exterior light retrofits, Technology retrofit-tablets, document cameras, printers replacement
McRoberts Elementary (PME)	Emergency generator & fire alarm, Technology retrofit-tablets, document cameras, printers replacement
Memorial Parkway Elementary (MPE)	Security fencing
Morton Ranch Elementary (MRE)	Security fencing, paving & safety, flooring replacement, security system retrofit – closed circuit TV, Technology retrofit-tablets, document cameras, printers replacement
Nottingham Country Elementary (NCE)	Exterior light retrofits
Pattison Elementary (PE)	Kitchen, roofing, exterior light retrofits, Technology retrofit-tablets, document cameras, printers replacement

2017 Bond Projects by Campus

CAMPUS/FACILITY NAME	PROJECTS
Randolph Elementary (JRE)	Technology retrofit-tablets, document cameras, printers replacement
Rhoads Elementary (RES)	Paving/safety, flooring replacement, security system retrofit - closed circuit TV
Rylander Elementary (RRE)	Exterior light retrofits, flooring replacement, security system retrofit - closed circuit TV
Schmalz Elementary (SES)	Chillers, roofing, flooring replacement
Stanley Elementary (SSE)	Security fencing, exterior light retrofits
Stephens Elementary (USE)	Flooring replacement, security system retrofit – closed circuit TV, Technology retrofit-tablets, document cameras, printers replacement
Sundown Elementary (SE)	Flooring replacement, security system retrofit – closed circuit TV, Technology retrofit-tablets, document cameras, printers replacement
West Memorial Elementary (WME)	Security fencing, exterior light retrofits, interior light retrofits
Williams Elementary (JWE)	Emergency generator & fire alarm, chillers, security fencing, interior light retrofits,
Winborn Elementary (DWE)	Flooring replacement, security fencing, exterior light retrofits, interior light retrofits, security system retrofit - closed circuit TV
WoodCreek Elementary (WCE)	Technology retrofit-tablets, document cameras, printers replacement
<u>Junior High Schools:</u>	
Beck Junior High (BJH)	Tennis court resurface, exterior light retrofits
Beckendorff Junior High (BDJH)	Flooring replacement, scoreboard & sound system replacement in gyms, security system retrofit – closed circuit TV, Technology retrofit-tablets, document cameras, printers replacement
Cardiff Junior High (CJH)	Tennis court resurface, Technology retrofit-tablets, document cameras, printers replacement
Cinco Ranch Junior High (CRJH)	Kitchen, emergency generator & fire alarm, roofing, exterior light retrofits, flooring replacement, scoreboard & sound system replacement in gyms
Katy Junior High (KJH)	Roofing, exterior light retrofits, tennis court resurface, new fence around football field/track, Technology retrofit-tablets, document cameras, printers replacement
Mayde Creek Junior High (MCJH)	Foundation work, tennis court resurface, Technology retrofit-tablets, document cameras, printers replacement
McDonald Junior High (MDJH)	Controls, exterior light retrofits, flooring replacement, tennis court resurface, security system retrofit - closed circuit TV

2017 Bond Projects by Campus

CAMPUS/FACILITY NAME	PROJECTS
McMeans Junior High (MMJH)	Chillers, emergency generator & fire alarm, roofing, tennis court resurface, interior light retrofits, scoreboard & sound system replacement in gyms
Memorial Parkway Junior High (MPJH)	Tennis court resurface, scoreboard replacement in gyms
Morton Ranch Junior High (MRJH)	Emergency generator & fire alarm, flooring replacement, paving & safety, scoreboard & sound system replacement in gyms, security system retrofit – closed circuit TV, Technology retrofit-tablets, document cameras, printers replacement
Seven Lakes Junior High (SLJH)	Tennis court resurface, exterior light retrofits
West Memorial Junior High (WMJH)	Roofing, tennis court resurface, new fence around football field/track, Technology retrofit-tablets, document cameras, printers replacement
WoodCreek Junior High (WCJH)	Tennis court resurface, Technology retrofit-tablets, document cameras, printers replacement
High Schools:	
Cinco Ranch High School (CRHS)	Kitchen, floral coolers, boiler & water heater, emergency generator & fire alarm, roofing, elevator, natatorium lights, athletic turf replacement, exterior light retrofits, tennis court resurfacing, new natatorium starting blocks, Technology retrofit-tablets, document cameras, printers replacement
Katy High School (KHS)	Partial renovation, chillers, controls, natatorium pool plaster & flooring, new natatorium starting blocks, flooring replacement, athletic turf replacement, sound system replacement in gyms, security system retrofit - closed circuit TV
Mayde Creek High School (MCHS)	Roofing, athletic turf replacement, scoreboard replacement in gyms, Technology retrofit-tablets, document cameras, printers replacement
Miller Career and Technology Center (MCTC)	Technology retrofit-tablets, document cameras, printers replacement
Morton Ranch High School (MRHS)	Floral coolers, boiler & water heater, flooring replacement, paving & safety, athletic turf replacement, scoreboard & sound system replacement in gyms, natatorium lights, new natatorium starting blocks, security system retrofit – closed circuit TV, Technology retrofit-tablets, document cameras, printers replacement
Opportunity Awareness Center (OAC)	Chillers, flooring replacement, Technology retrofit-tablets, document cameras, printers replacement
Raines High School/Behavior Transition Program (RHS/BTP)	Partial renovation, expansion, Technology retrofit-tablets, document cameras, printers replacement

2017 Bond Projects by Campus

CAMPUS/FACILITY NAME	PROJECTS
Seven Lakes High School (SLHS)	Floral coolers, boiler & water heater, natatorium lights, flooring replacement, exterior light retrofits, athletic turf replacement, new natatorium starting blocks, security system retrofit - closed circuit TV
Taylor High School (THS)	Boiler & water heater, elevators, natatorium pool plaster & flooring, athletic turf replacement, tennis court resurfacing, new fence around football field/track
Tompkins High School (OTHS)	Floral coolers, tennis court resurfacing
Central Facilities:	
Ag Facility	Security gate operators
Central Maintenance	Chillers
East Daycare	Chillers
East Maintenance	Chillers
East Transportation	Security gate operators, exterior light retrofits, chillers
Law Enforcement Center (LEC)	Security gate operators, interior light retrofits
Leonard Merrell Center (LMC)	Flooring replacement, security system retrofit - closed circuit TV
Outdoor Learning Center (OLC)	Comprehensive renovation, exterior light retrofits
Rhodes Stadium	Comprehensive renovation, chillers
Robinson Pavilion	Chillers
Support Services Complex (SSC)	Chillers, security gate operators, exterior light retrofits, security system retrofit - closed circuit TV
West Daycare	Emergency generator & fire alarm
West Maintenance	Emergency generator & fire alarm, chillers
West Transportation	Emergency generator & fire alarm, security gate operators, flooring replacement, security system retrofit - closed circuit TV
