

## Student Teaching Data Confidentiality Statement

This document outlines the responsibilities of a student teacher in Katy ISD while using student information and data in required learning assignments or projects. This does not take the place of the required research process when a published research study is the result.

By signing this statement, \_\_\_\_\_ (insert legal name) agrees to abide by the following:

- A. Maintain student confidentiality of all student records and any information that is accessible to you regarding students and families.
- B. Protect the confidentiality of teachers and the campus.
- C. The data or information accessed as a result of the assignment will not be utilized for personal reasons.
- D. Uphold all Katy ISD guidelines and TEA policies/laws.
- E. Be respectful of the campus' ultimate purpose, educating the students that attend the campus and serving the needs of those families.
- F. Abide by all safety rules of the district.

My signature indicates that I have read the statement. I understand and will comply with these guidelines. I will respect the confidentiality of the students, teachers, and the campus during my time as a student teacher.
