PREPARING FOR YOUR NEXT BIG ADVENTURE

Decisions, Decisions

Until you receive all college admission decisions, you might not be able to make your final college choice; however, you can begin to strategize and outline different scenarios to ensure you are ready to handle whatever decisions come your way!

Consider This

When it comes to selecting a college, there is no right or wrong choice. What matters most is finding a college that aligns with your goals, values, and academic interests. It should be a place where you feel comfortable, motivated, and supported.
