A LITTLE ABOUT ME...

Hi! My name is Shola L Griffin. I attended Texas Tech University and earned a degree in Human Development & Family Studies, and then received my graduate degree in Counseling from the University of St. Thomas. I spent 9 years as a classroom teacher before becoming a counselor in 2014. I believe that a positive partnership between families and school staff is one of the greatest keys to student success. I really enjoy working with children and helping others, and I'm so excited to work with the students at Rhoads Elementary School! 🚀
