

Katy Independent School District
Woodcreek Elementary
2019-2020 Campus Improvement Plan

Mission Statement

WoodCreek Elementary School's Mission Statement:

The WoodCreek Elementary family is committed to providing a safe, nurturing and positive community that will motivate and enrich life-long learners. All stakeholders will take ownership in every student's success through ongoing collaboration and communication.

Ranger Code of Honor:

I am...

R Respectful of Others

A Actively Engaged in my Learning

N Nice to Everyone

G Giving my Best Each Day

E Expecting Great Things for Myself and a

R Responsible Citizen

I am a Ranger!

Vision

All students will grow one school year in one school year.

Positive family culture

Everyone collaborates to improve number 1 and 2

Value Statement

As a WoodCreek Elementary community, parent, staff member and student...

We promise to have high expectations where risk-taking and failure are opportunities to be great.

We promise to provide a loving and respectful environment.

We promise to be life-long learners, creative thinkers and innovators that create the future.

We promise to collaborate with each other to inspire and achieve success.

Comprehensive Needs Assessment

Revised/Approved: August 23, 2019

Demographics

Demographics Summary

WoodCreek Elementary benefits greatly from the diversity of our learning community. We value the unique qualities each individual brings to school each day and work to support all in their work. We know that a successful campus is one that works to understand the celebrations and challenges of each individual. The following are many of the demographic measures that impact our school daily.

WoodCreek is routinely home 1200+ students each year. We started last year at 1,209 students which continued to grow throughout the year. Of these students approximately 45% are White, 23.5% Asian, 17.2% Hispanic, 9.6% Black or African American, 4.1% identifying as two or more races and less than 1% American Indian or Alaska Native.

Our special populations included 32.8% At Risk Students, 16.2% English Language Learners, 9.6% Economically Disadvantaged, and 9% identified for Special Education services. Our campus had a mobility rate of 8.3%.

The WCE campus attendance rate was reported at 97.6%

Our staff, who support these students, is approximately 82.9% White, 2.6% Black or African American, 6.6% Hispanic, and 7.9% Asian. We have 43.9% of staff members having more than ten years of experience. 24.8% of our staff have graduate degrees.

At WCE our average class size was approximately 20:1 in Kindergarten through fourth grade, and 23:1 in fifth.

Demographics Strengths

We are fortunate to serve diverse families and a diverse student population. Our families understand the importance of education and make sure that the students attend at a high rate.

Our ELL students are supported by all WCE campus teachers. The classroom teachers at WCE who are directly working with students obtain their ESL certification by their third year at WCE. This leads to higher levels of learning and engagement in the classroom.

The demographics of the teaching staff also shows a significant percentage of our teachers have more than 10 years of teaching experience and almost one fourth of our staff have advanced degrees.

Problem Statements Identifying Demographics Needs

Problem Statement 1: WCE plans to more effectively celebrate our community's diversity by including a multicultural night on a biannual basis and becoming a "No Place for Hate" school.

Student Academic Achievement

Student Academic Achievement Summary

WoodCreek Elementary is fortunate to work with families who value the benefits of education and students who are committed to success. Student achievement and growth is measured annually by the STAAR. Results for the 2019 school year are as reported:

92% of third grade students met the passing standard in reading. Of those same students, 93% also met the passing standard in math.

In fourth grade, 97% of students met the passing standard in reading with 69% having made progress. In fourth grade, 93% of students met the passing standard in math with 70% making progress. In fourth grade, 93% met the passing standard in writing.

In fifth grade, 98% of students met the passing standard in reading with 81% having made progress. In fourth grade, 100% of students met the passing standard in math with 85% making progress. In fifth grade, 96% met the passing standard in science.

Student Academic Achievement Strengths

Student growth is the focus of WoodCreek Elementary. We feel a moral obligation to provide each student with at least one year of academic growth and improvement during one school. The challenge to this is that each student starts in a different place. Our entire learning community is focused on this one goal and it permeates our campus conversations, decisions, and plans. Our greatest strength is our unified effort focused on this most important goal.

Problem Statements Identifying Student Academic Achievement Needs

Problem Statement 1: 90% of WCE students are not currently recording a meet (.5 points) or exceed (1 point) in the progress measure as indicated in Domain II.

School Processes & Programs

School Processes & Programs Summary

Fostering Personalized Learning Experiences & Attracting and Retaining High Quality Staff Members

Each student will be provided engaging, relevant, and meaningful learning experiences which foster the acquisition of the KISD Instructional Cornerstone Skills (collaboration, communication, creative thinking, critical thinking, information literacy, problem solving and social contribution) that lead to student success.

One of WoodCreek Elementary's most valuable strengths is its human resource or the people who work side by side for our students. These instructional and support staff members who work on behalf of the students are a large part of our legacy and an essential ingredient in our success. This success is achieved through the purposeful recruitment, support, and retention of individuals who support both our vision and mission.

At WoodCreek Elementary, we focus on hiring staff who pose a love for children and service to the community. We realize that we can help a staff member grow in curriculum knowledge and management skills, but we cannot teach passion, love, and empathy.

WoodCreek Elementary uses data to evaluate our teaching and our students' learning. We routinely use data to focus our instruction and planning.

Teachers meet regularly with the Instructional Coaches to understand the TEKS. Teacher write Performance Scales of the TEKS which allow teachers to meet instructional expectations and plan lessons that engage for all students.

Pre-Assessments and Common Assessments are developed by the grade level teachers and approved by the Instructional Coaches to make sure are tightly aligned to district expectations and the TEKS.

Focus TEKS are identified from STAAR test data before school starts by both the support staff and the instructional staff. Identifying these TEKS allows the instructional staff to see our previous weakest areas and improve the instruction for these areas.

Data from Common Assessments and District Learning Assessments are reviewed by the administrative team after they are given and then shared with the grade level teams. All data is shared with all teachers. Teachers identify strengths and areas of focus and articulate a plan to work toward their collective goal. This feedback allows teachers to reflect on strengths and improvements needed.

Building a School Culture & Partnership with All Stakeholders

KISD is regarded as the responsive authority in the education of students by parents and other Katy community stakeholders.

WoodCreek Elementary values our community and acknowledges that their partnership is essential to student growth and our students' success. We work continuously to provide opportunities for meaningful engagement and foster those relationships as we build them. We seek to build positive collaboration

knowing that our school benefits in both achievement and with a strong and positive climate when we have parent and community engagement. At WCE, we provide a wide variety of ways for parent and community engagement.

Supporting the Emotional Well-Being of All Learners

Students, staff, and parents will regard KISD as a safe and loving environment to learn and work in.

School Processes & Programs Strengths

Fostering Personalized Learning Experiences & Attracting and Retaining High Quality Staff Members

The process of recruitment at WoodCreek is collaborative. Instructional and support staff work to identify and interview individuals who have achieved, or have the capacity to achieve, success in working with students, parents, and their previous schools. WCE focuses on highlighting the school and its students on the website and by participating in job fairs. Individuals are initially screened and then selected to be interviewed by committee. Committees have significant input in our campus final recommendations ensuring both buy-in and confidence with our new staff. Greatness brings more greatness. In other words, the incredible professionals at WCE, draw in other incredible professionals.

Supporting staff members is just as important for us as hiring quality candidates. New teachers grow on campus through professional development sessions and mentor support. They are also supported by administration, parents, and support staff as they focus on improving their craft. Grade level Kid Chats, ESOL Kid Chats, and SPED Kid Chats allow all teachers to collaborate in both celebration and problem solving issues they may need help with from the classroom. More intensive student needs are supported through our Counselor, our Intervention Coach, and our support teachers. Instructional planning is supported on each grade level by our Instructional Coaches and Administration. Our parents, through their efforts with the PTA, provide significant funding resources that teachers and staff utilize to access timely and relevant professional development opportunities.

Instructional Coaches attend weekly planning meetings with teams. They guide TEK Talks, Performance Scale Writing, and Long Range Planning with all teams.

Intervention and Review Time allows for intervention for students who have not learned it and allows implementation of performance tasks for students who already know it. Intervention and Review Time is implemented and refined and continues this year to provide students the opportunity to enhance or remediate their learning.

Pre-assessments, Common Assessments, District Learning Assessments, and other campus or classroom assessments inform planning and instruction and provide data for analysis. Pre-assessments and common assessments are used to track student growth. Data is analyzed and used to improve our approach.

Students in intermediate grades receive training on goal setting and tracking progress from classroom teachers and the Instructional Coaches with support from the administration.

Monday Learning Meetings occur bi-weekly for an hour after school. Instructional staff, with support from the coaches, select the topics to be investigated in these meetings. Teaching staff are encouraged to present at these meetings, which are established to equip classroom teachers with classroom activities to enhance student achievement growth. The entire staff contribute to the scope and sequence of these meetings and the teacher leaders use that to make the differentiated sessions that different teachers attend.

All instructional staff create a summer learning plan with their content Instructional Coach which takes advantage of the many learning sessions inside Katy ISD. The campus also plans summer learning beyond the district which has included conferences and/or hosting professional development opportunities.

All WCE teachers are asked to become GT certified and ESL certified. This allows teachers to use the higher level thinking and/or linguistic accommodations that all students benefit from with fidelity.

WCE staff who serve special populations utilize the push-in model for student support and participate in grade level and campus meetings.

Building a School Culture & Partnership with All Stakeholders

At WCE we engage business partnerships in collaboration with the KISD PIE program. These businesses support our campus in various ways including hosting WCE Spirit Nights and making donations to the campus.

Parent and community volunteers are an important part of our campus. Our volunteers help us realize positive and authentic learning experiences. We are excited to offer programs such as Watch DOG Dads, Ranger Science, Ranger World, Career Day, Junior Achievement, and VIPS who log thousands of volunteer hours each year. We also have an amazing PTA who supports our school through many hours of coordination, planning, and time on campus making sure our teachers and students have the support they need and want. As a campus we help support them by pairing our evening events with their monthly meetings in each grade level. We also have a proud tradition of 100% staff membership in PTA.

At WCE, we also work hard to support and engage our special population families. Our ESL, SPED, and GT staff communicate regularly with parents through phone calls, conferences and notes/comment sheets sent home. They support families, too - by attending grade level performances and celebrating with students these special accomplishments. We also work to include special population parents in school business meetings such as the LPAC committee, PTA Leadership, Parent Roundtables, and the Campus Advisory Team (CAT).

Ultimately, we feel our strengths in parent and community engagement are directly related to our efforts providing opportunities and in parent and community communication. Currently, we communicate weekly with all families with the campus Ranger News. We see communication with three pillars: Canvas (what you need to know), Website (resources and outside of the community audiences), and social media (sharing the "soul" of WCE). Our social media are focused on Facebook, YouTube, and Twitter platforms. We also use our marquee, weekly grade level Canvas posts, open forums, and increased visibility to communicate effectively.

Supporting the Emotional Well-Being of All Learners

The administrative team collaborates daily to review ways to improve all aspects of WCE.

Principal's weekly e-news (Ranger News), PTA embedded information in the Ranger News, Canvas, Facebook, YouTube, Twitter, the WCE website, and combined information from the PTA and the school is available for all families at WCE in an effort to keep all parents informed of school news in our three categories of communication.

The Campus Advisory Team collaborates with administration to review campus goals and budgets in order to support the school's wants and needs.

Business partnerships are maintained and developed through WCE's campus PIE program. Businesses support WCE in various ways including hosting WCE Spirit Nights and making donations to the campus.

100% of the WCE staff join the PTA.

Campus Instructional Leaders are established. There are two per a grade level (in each content group) as instructional liaisons to their teams as well as curriculum leaders for their team members.

The Principal Round table is conducted for staff members, students, and parents to share their likes and wishes.

Emergency drills are performed regularly and students/staff showed a clear understanding of procedures and importance of drills.

Teachers and staff used "Go Bags" to help with safety and communication when safety drills were performed.

The school reviewed Champs expectations at the beginning of the year.

Administrators use the Ranger Code of Honor and Promises with students when office reports are written.

Campus Instructional Leaders review behavior data throughout the school year and make adjustments when needed in the classroom or other areas throughout the campus.

New staff members and WCE parents are encouraged to attend Love and Logic training.

Enhanced arrival and dismissal procedures, training for additional crossing guards, and effective communication of procedures to the WCE community facilitate a safe, effective and efficient arrival and dismissal processes. Efficiency in these processes helped to ensure that students had maximum instruction time in the classroom.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: As a campus of high expectations for all students' academic growth, we recognize the need for continuous improvement through ongoing targeted professional development.

Problem Statement 2: Assessment of learning must focus solely on measures of learning (TEKS) and not measures of behavior.

Problem Statement 3: Grading must be based on ethical principles for grading.

Problem Statement 4: Performance tasks need to be created based on the "Masters" level of the Performance Scales and used for those who already show mastery before it is taught.

Problem Statement 5: WCE will continue to strengthen the RTI process and serve students with targeted interventions.

Problem Statement 6: Collaboration, communication, creativity, and critical thinking through performance tasks needs to increase in our WCE instruction and classrooms.

Problem Statement 7: WCE will use preassessment data more effectually to plan and deliver differentiated instruction.

Problem Statement 8: Intervention and Review Time (IRT) must continue to target academic growth for all students including those with high achievement, but low growth.

Problem Statement 9: Staff will continue to utilize campus Kid Chats to discuss and support vulnerable students and student populations.

Problem Statement 10: We will continue to refine of our diverse engagement opportunities allowing parents to participate in our campus in a way that works best for them.

Problem Statement 11: We will continue tracking those who give of themselves for our campus as we work to encourage deeper engagement and thoughtful recognition.

Problem Statement 12: WCE will continue to strengthen home-school connections and communication for students with attendance issues.

Problem Statement 13: WCE will continue to deepen the campus knowledge and understanding of the Incident Command System and WCE Emergency Plans.

Problem Statement 14: WCE must strengthen supports for students with repeated and/or frequent behaviors that impede learning through a positive approach to discipline management.

Perceptions

Perceptions Summary

WoodCreek Elementary has a tradition of excellence. A culture of high expectations from our learning community that values innovation, critical thinking, collaboration, and communication is our driving force. These ideals motivate our short term goals and inform our long term plans. Integrity in our actions and alignment in our daily practice is important as we strive to be a campus of continuous improvement.

At WCE we profess often that love is our driving force. We state that “love never fails” and work hard to make sure our students, their families, and our staff and community understand that they are loved. Through love, we invite students to grow academically.

Perceptions Strengths

Innovation-Brainstorming with students and teachers to create new ideas as well as refine, analyze and evaluate those ideas to maximize our creative efforts. Essentially, we strive to identify our beliefs and then align our actions to those beliefs.

Critical Thinking- We work creatively with others to develop, and implement our ideas effectively. We are brave to question the status quo and question our own culture.

Collaboration-We are open and responsive to new and diverse perspectives. We have created systems to guide input and feedback. These systems pull from Critical Friends, Strengths Finders, and practices that we have developed through the years. Principal round-tables with parents, monthly PTA meetings with the principal, and systemically gathering monthly staff input is one example of our desire to collaborate. Teachers have campus two Curriculum & Instruction Leaders for each team for each content group and feedback is systemically sought after each meeting. Diverse views are seen as a strength in our school culture.

Communication-We value all stakeholders and have several systems where we address communication with our community throughout the week. Some of those systems include Communication Cards, Canvas, YouTube, the Faculty Bulletin, Ranger News, Twitter, and Facebook.

Problem Statements Identifying Perceptions Needs

Problem Statement 1: We want to support our staff's knowledge of our expected campus culture and climate and work together to provide at least a full year's growth for our students.

Priority Problem Statements

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Campus Performance Objectives Summative Review from previous year
- Current and/or prior year(s) campus and/or district improvement plans
- Campus and/or district planning and decision making committee(s) meeting data
- State and federal planning requirements

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain
- Effective Schools Framework data
- Accountability Distinction Designations
- Federal Report Card Data

Student Data: Assessments

- State and federally required assessment information (e.g. curriculum, eligibility, format, standards, accommodations, TEA information)
- State of Texas Assessments of Academic Readiness (STAAR) current and longitudinal results, including all versions
- STAAR EL Progress Measure data
- Texas English Language Proficiency Assessment System (TELPAS) results
- Student Success Initiative (SSI) data for Grades 5 and 8
- SSI: Istation Indicators of Progress (ISIP) accelerated reading assessment data for Grades 3-5 (TEA approved statewide license)
- SSI: Think Through Math assessment data for Grades 3-8 and Algebra I (TEA approved statewide license)
- Student failure and/or retention rates
- Running Records results
- Istation Indicators of Progress (ISIP) reading assessment data for Grades PK-2

Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group

- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Special education/non-special education population including discipline, progress and participation data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- EL/non-EL or LEP data, including academic achievement, progress, support and accommodation needs, race, ethnicity, and gender data
- STEM/STEAM data
- Dyslexia Data
- Response to Intervention (RtI) student achievement data

Student Data: Behavior and Other Indicators

- Attendance data
- Mobility rate, including longitudinal data
- Discipline records
- Class size averages by grade and subject
- School safety data
- Enrollment trends

Employee Data

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Teacher/Student Ratio
- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data
- Evaluation(s) of professional development implementation and impact

Parent/Community Data

- Parent surveys and/or other feedback
- Parent engagement rate
- Community surveys and/or other feedback

Support Systems and Other Data

- Organizational structure data
- Processes and procedures for teaching and learning, including program implementation
- Study of best practices

Goals

Goal 1: All learning environments will foster engagement by integrating personalized learning experiences.

Performance Objective 1: High Student Achievement:

*WCE students in grade 3, 4, and 5 will meet the student achievement target of 80% or higher (average percentage of approaches, meets, and masters grade level) as indicated in Domain I.

*90% of WCE students will meet (.5 points) or exceed (1 point) the progress measure as indicated in Domain II.

*WCE students will meet or exceed the state performance thresholds as indicated in Domain III in 100% of all sub population areas.

*WCE will rank in the top 25% of comparable schools in Domains I and II.

Evaluation Data Source(s) 1:

Summative Evaluation 1:

Strategy Description	Monitor	Strategy's Expected Result/Impact	Reviews			
			Formative			Summative
			Oct	Jan	Apr	June
1) Fact Fluency program will continue in grades 1-5 according to district policy.	Grades 1-5 teachers	Increase in CA's scores				
	Funding Sources: 199 - General Fund - 0.00					
2) K-5th Grade students will utilize daily writing and emphasize writing in math, science and social studies using the CER model.	Grades K-5 teachers, Instructional Coaches	Writing scores and applied editing skills will increase on STAAR, common assessments and DLA's.				
	Funding Sources: 199 - General Fund - 0.00					

Strategy Description	Monitor	Strategy's Expected Result/Impact	Reviews			
			Formative			Summative
			Oct	Jan	Apr	June
3) Provide additional instruction for identified students at-risk for reading in K-5.	Academic Support teachers, SPED, ESL and grades K-5 teachers.	Increase STAAR scores, increase student progress on ISIP, Fountas & Pinnell, common assessments and DLA's, IPT, TELPAS				
Funding Sources: 199 - State Comp Ed - 0.00						
4) Classroom and campus communication will primarily be through Canvas. Automated phone system, enews, and other web based communication will be utilized when needed.	K- 5th grade teachers	ISIP Testing, Word work writing STAAR common assessments and DLA's				
Funding Sources: 199 - General Fund - 0.00						
5) Teachers will use a science interactive student notebook, incorporate vocabulary building strategies, and incorporate a student - centered, student created interactive science word wall in all science classrooms, grades K-5.	Science teachers, administrators, WCE Science Vertical Alignment Committee	Student centered-student created interactive science word wall in each classroom, use of science warm - up program and vocabulary interactive notebook, increased scientific knowledge, improved test performances by students.				
Funding Sources: 199 - General Fund - 0.00						
6) Grades K-5 will utilize the Science Lab.	Science Teachers	Use of the Science Lab for hands-on activities, increased scientific knowledge, improved test performance by students.				
Funding Sources: 199 - General Fund - 0.00						
7) Provide a minimum of 2 authors/ illustrators as well as book clubs to enrich knowledge of literature.	Librarian	Author/ Illustrator visits and book clubs				
Funding Sources: 199 - General Fund PTA Donation - 0.00, 199 - General Fund - 0.00						
8) Grades K-5 will incorporate vocabulary building strategies to enhance reading skills.	K-5 Teachers	Common assessments, DLA's ISIP				
Funding Sources: 199 - General Fund - 0.00						
9) Provide a classroom rich in mathematical speaking and vocabulary. Math vocabulary displayed in every classroom(Math wall) and spoken daily.	K-5 Math Teachers	Increased understanding of word problems by students.				
Funding Sources: 199 - General Fund - 0.00						
10) The Literacy library will provide leveled books and teacher resources for use in reading instruction.	Grades K-5 Teachers, Academic Support Teachers, Instructional Coach ELA	ISIP and STAAR reading scores, Fountas & Pinnell				
Funding Sources: 199 - General Fund PTA Donation - 0.00, 199 - General Fund - 0.00						

Strategy Description	Monitor	Strategy's Expected Result/Impact	Reviews			
			Formative			Summative
			Oct	Jan	Apr	June
11) Incorporate state and KISD safety standards and utilize grade specific safety equipment in the science lab and the classroom.	Administrators, Science Teachers, Science Committee, Math /Science Instructional Coach	Lesson Plans, Observation				
Funding Sources: 199 - General Fund PTA Donation - 0.00, 199 - General Fund - 0.00, 199 - General Fund Other Donation - 0.00						
12) Utilize KISD Canvas Science courses for science curriculum.	District	Curriculum resources				
13) Incorporate daily science lesson plans and 5 E lessons in all K-5 classrooms.	Science Teachers, administrators	Forethought lesson plans, quality science lessons in each classroom, improved student achievement.				
Funding Sources: 199 - General Fund - 0.00, 199 - General Fund PTA Donation - 0.00						
14) Utilize the EduSmart resource in Kindergarten classes and the Science Enrichment textbook "ScienceSaurus" in Grades 1-5 to support science vocabulary instruction.	Science Teachers, administrators, Math/Science Instructional Coach, WCE Science Vertical Alignment Committee	Student work, Forethought lesson plans, improved science scores in common assessments, DLA's and state mandated testing.				
Funding Sources: 199 - General Fund - 0.00						
15) Web 2.0 and BYOD are used daily in 1-5 and on scheduled dates for Kindergarten. iPads are used daily in grade K-5. Technology will be used seamlessly to enhance instruction.	K-5 Teachers, Specials Teachers					
16) Utilize Title III immigrant funds to supplement instruction provided to Immigrant students.	K-5 Teachers, ESL Teachers, Academic Support Teachers	Student assessment data, student engagement subjective: walk throughs, observations, grades, IPT, TELPAS				
Funding Sources: 263 - Title III-A Immigrant - 0.00						
17) Grades K-5 will utilize Writer's Workshop. Resources are available in the literacy library.	IC, Teachers, Admin.	Increased STAAR writing scores as well as increase writing ability in grades K, 1 , 2, and 3.				
18) Literacy help for parents of students through conferences	Teachers, IC, Admin	Increased parental awareness				
Funding Sources: 199 - General Fund - 0.00						
19) Dyslexia help for parents online in district dyslexia parent course	Dyslexia Instructor	Increase awareness				
20) Provide additional instruction for identified students at-risk in Math for grades K-5	Academic Support Teachers, SPED, ESL and grade teachers.	Increase STAAR scores, increase student progress on SMI, common assessments and DLA.				
Funding Sources: 199 - General Fund - 0.00

			Oct	Jan	Apr	June
21) "Dream Box will be implemented in grades K - 5 according to district policy to make instructional decisions for identified students."	Grades 2 teachers	Increase math awareness in classroom and assessments.				
22) I -Station for grades K-5	ELA IC and teachers	Increase phoenimic awareness/fluency on ISIP reports				
23) Promote cultural awareness by having a multicultural night and celebrating different heritages.	School Counselor, Staff, Volunteers	For students to have a level of understanding about each other in order to facilitate collaboration and cooperation.				
Funding Sources: 199 - General Fund - 0.00						
24) Continue Read, Deed and Run	Teachers					
25) All Social Studies teachers will integrate the campus developed STAAR strategies when reading Social Studies materials.	IC and grade 1-5 teachers	STAAR reading results				
26) Social Studies teachers will incorporate all steps of the writing process when using Social Studies prompts	IC and grade 1-5 teachers	STAAR expository writing results				
27) Utilize STEMScopes online resources in grades K-5 to support science vocabuiliary instruction and the Claim-Evidence-Reasoning (C-E-R) Model.	Science teachers, Math/Science Instructional Coach, WCE Science Vertical Alignment Committee	Use of the vocabulary interactive notebook, increased scientific knowledge, improved test performance by students.				
Funding Sources: 199 - General Fund - 0.00						
28) WCE will increase student attendance to 98.5%						
29) WCE teachers will monitor and follow up with parents regarding student absences to increase attendance	Teachers and attendance review committee	98.5% attendance rate by May 2018				
Funding Sources: 199 - General Fund - 0.00						
30) WCE will create incentive plan/charts for students with excessive absences through the Attendance Review Committee.	Teachers and attendance review committee	98.5% attendance rate by May 2018				
Funding Sources: 199 - General Fund - 0.00						
31) WCE will implement class wide and individual student reward systems to encourage students to be at school each day.	Teachers and Admin	98.5% attendance rate by May 2018				
Funding Sources: Parent Organization - 100.00						

Strategy Description	Monitor	Strategy's Expected Result/Impact	Reviews			
			Formative			Summative
			Oct	Jan	Apr	June
32) WCE will communicate with parents through Canvas and Ranger news to inform them of district attendance policies.	Teachers	98.5% attendance rate by May 2018				
	Funding Sources: 199 - General Fund - 0.00					
33) The WCE Intervention Coach will hold conferences with parents of students with excessive absences.	Teachers, counselor	98.5% attendance rate by May 2018				
	Funding Sources: 199 - General Fund - 0.00					
34) Power Hour for grades 3 - 5.	Teachers and support staff	Increased STAAR scores in Domain 1 and 2.				
	Funding Sources: 199 - General Fund - 5000.00					
35) Early Risers (I-Station or Dream Box) will be available for students in grades K-5 who need additional interventions.	Support staff	Increased phonic awareness, fluency and math skills				
36) Utilize collaborative teamwork for instructional planning to include: *Data analysis by grade, subject, student group, and progress measure *Data analysis through reflective questions using the Lead4Ward processes *Grade-level, vertical and/or interdisciplinary team meetings for data analysis and dialogue *Development of an instructional plan/Action plan based on data analysis to be included in the campus improvement plans *Individual student data analysis and student goal setting sessions small group/differentiation planning weekly	Principal, Asst. Principal, IC, CIL's	DLA reports and metric, End of Year STAAR reports, System Safeguard Data, Distinction Designation data, PBMAS indicators for ELL, SPED, and NCLB				
	Funding Sources: 199 - General Fund - 0.00					
37) (Technology) Provide opportunities inclusive of professional development, to build capacity of teachers, principals, and other staff to integrate multiple technology tools relevant to the digital learner. Expand implementation of use of mobile learning devices and WiFi.	Principals, IC's, Testing coordinator as applicable	End of the year, Identified curricular changes made in Forethought to facilitate technology integration, defined instructional strategies in Forethought facilitating technology integration, Specific lesson plans in Forethought utilizing technology integration aligned to TEKS and STAAR.				
	Funding Sources: 199 - General Fund - 0.00

			Formative			Summative
			Oct	Jan	Apr	June
38) Gifted and Talented/Advanced Academic Studies : Program options enable G/T/AAS students to work together as a group, work with other students and work independently during the school day/entire year. Provide out-of-school options relevant to students' areas of strength, such as Destination Imagination. Provide opportunities to accelerate in areas of student strengths. Recruit and retain students in advanced courses.	Admin team, Counselors, GT teacher	Participation in Destination imagination, Pentathlon, Academic Decathlon, Other academic competitions. Student enrollment in courses advanced for grade, MSI data, Comparison of class rosters-beginning and end of semesters				
39) SSI-Monitor progress of students failing to meet SSI promotion requirements in the previous academic year and provide remediation via supplemental materials and services. Progress will be recorded on the accelerated instruction plan; interim reports and opportunities to conference will be provided to parents of identified students.	Principal, Intervention support staff, Compensatory/Federal programs staff, Counselor, Admin Team	Spring district/state assessment data, promotion/retention data, report cards				
40) (Gifted and Talented) Every teacher assigned to teach a GT course has attained required 30 hours of GT training in: nature and needs of G/T students, Assessing and identifying G/T students needs, Curriculum and Instruction for G/T students, Assessing social and emotional needs of G/T students, Creativity and instructional strategies for G/T students.	Admin team, CIL's Counselor, GT facilitator	Year end GT professional dev records for each GT teacher, Evidence of implementation, teacher appraisals end of year, observation records, 30 hour awareness certificates				
41) Gifted and Talented-in collaboration with specialist in content areas, implement and evaluate development of differentiated curriculum for meeting needs of gifted students using effective instructional techniques that meet the needs of gifted learners.	Admin team, CIL's, Counselor, teachers, GT facilitator	End of year report cards, district or campus evaluation surveys, student products				

Strategy Description	Monitor	Strategy's Expected Result/Impact	Reviews			
			Formative			Summative
			Oct	Jan	Apr	June
42) Gifted and Talented/Advanced Academic Studies: Program options enabled GT/AAS students to work together as a group, work with other students and work independently during the school day throughout the school year. Provide out-of-school options relevant to students' areas of strength giving opportunities for all students to participate in programs such as Destination Imagination. Provide opportunities to accelerate in areas of student strengths. Retain and recruit students in advanced courses.	Admin Team, Counselor, GT facilitator	Participation in Destination Imagination, Pentathlon, Academic Decathlon and other academic competitions. Student enrollment in courses advanced for grade, MSI data, comparison of class rosters at the beginning and end of semesters.				
43) Conduct annual program evaluation per program (CTE, SCE, GT, ELLs) under the direction of respective program areas utilizing student performance data derived from special populations for the purpose of program review and revision.	Per program applicability- GT Dept, Compensatory/Federal programs dept., Dept. of other languages	End of year state assessment data (STAAR, TELPAS), promotion/retention data, parent/student surveys				
44) Special Ed-monitor LRE ratio. Develop campus capacity to support inclusive programming for students with disabilities. Evaluate campus LRE ratio	Principal, SP Ed teachers, Sp Ed. admin	Campus LRE ratio annual report, ESP instructional arrangement code reports				
45) SpEd STAAR-Examine all STAAR results for percentage of students meeting state standards. STAAR, STAAR ALt	Principal, Diagnostician, Sped Team, Campus Sped administrator	STAAR Report Cards (SRC)				
46) SPED-train all special education staff, building administrators and counselors on Sped program compliance	Speech Path, Diag, Counselor, Admin team	End of year timeline referral data, TEA complaints, PBMAS report				
47) Monitor EL's academic progress and linguistic support by ensuring that the ELPs are implemented in all content areas. Utilize TELPAS and STAAR results to monitor progress of EL students. Train all EL staff administrator and counselors on timeline requirements and state compliance, including LPAC initial training(verification and oaths) Pre LAS and LAS links, STAAR, STAAR L and TELPAS	Central Admin, Language proficiency assessment committee, LPAC decision making process	As appropriate, end of year analysis of TELPAS and STAAR L and LPAC summary reports				

Strategy Description	Monitor	Strategy's Expected Result/Impact	Reviews			
			Formative			Summative
			Oct	Jan	Apr	June
48) Provide professional development that increases knowledge and skills related to vertical alignment of curriculum, scientifically-based research programs, instructional strategies to meet the needs of diverse student populations, integration of technology into curriculum and instruction for improving teaching, learning and technology literacy, STAAR testing and the state curriculum standards (TEKS) in content areas of English/Language arts, social studies and science, and math. Include opportunities for teachers to be coached, attend sustained trainings, inservice sessions and professional development workshops and conferences together with structured follow up.	Admin team	Implementation survey, teacher survey, teacher appraisals, student survey, end of year applicable testing results, LPAC summary, admin survey				
	Funding Sources: 255 - Title II Part A TPTR - 0.00, 263 - Title III ELA - 0.00, 263 - Title III-A Immigrant - 0.00					
49) The CAT teachers and administrators will complete professional development in clearly defined focus areas to meet district and campus goals and participate in applicable campus and district professional development survey accountability training.	Content area specialists	Summative appraisals, results of surveys, staff survey				
	Funding Sources: 255 - Title II Part A TPTR - 0.00					
50) Utilize intervention instructional officers, ESL and Bilingual facilitators, Title I facilitators, if assigned, and other district instructional staff to support teachers providing services to at-risk students.	Principal, CIL's Instructional support staff, intervention specialists, compensatory/federal programs staff, department of other languages	ISIP reports, IPT, STAAR, Dyslexia intervention progress measure, TELPAS				
	Funding Sources: 263 - Title III-A Immigrant - 0.00					
51) Identify at risk, eligible Title I and EL students, provide them with supplemental services; and monitor progress. Materials/services include supplemental instructional resources, small group intervention and tutorials	Principal, Admin team, Instructional support staff, intervention specialists, compensatory/federal programs staff, dept. of other languages	ISIP reports, annual IPT, STAAR results, dropout data, TELPAS				
	Funding Sources: 263 - Title III ELA - 0.00					

Strategy Description	Monitor	Strategy's Expected Result/Impact	Reviews			
			Formative			Summative
			Oct	Jan	Apr	June
52) Running Records will be done in grades 2 and 4.	Classroom teachers 2&4	Increase math awareness in classroom and assesments				
Funding Sources: 199 - General Fund - 0.00						
53) "WCE will continue to implement math strategies from Developing Mathematical Idea's (DMI) training, such as (Building a System of Tens and Reasoning Algebraically About Operations)."	Teachers	Increase in student achievement on CA's of STAAR				
Funding Sources: 199 - General Fund - 0.00						
54) Before school academy for grades 3-5	Teachers and support staff	Increased STAAR scores in Index 1 and Index 2				
Funding Sources: 192 - Special Project - 5500.00						
55) GT-Conduct annual GT screening by following the district - wide procedures for referrals, screening, and identification of students. Emphasize on finding and identifying underrepresented groups.	Admin team, Counselor, GT teachers	Student referrals per district GT calendar, GT Peims data per semester, ethnicity reports per semester, screening results per district calendar				
56) FASST math will be implemented in grades 1-5 for identified students.	Teachers	Increase math awareness				
57) 35) The registrar will run attendance reports and provide date to teachers.	Attendance clerk, teachers, attendance review committee	98.5 % attendance rate by 2018				
58) WCE will implement components of "Visible Learning" in order to increase student ownership of their own academic growth.	Principals, ICs, Teachers, Students, Visible Learning Committee	A common language for learning (Learning Dispositions, Phases of Learning, The Learning Pit), Clear Success Criteria, Clear Learning Intentions, Teacher evaluation of their own impact (measuring student growth every 12 to 14 weeks), and students being able to answer 3 questions at any time (Where am I going in my learning? Where am I right now? What is my next step?)				
 = Accomplished  = Continue/Modify  = No Progress  = Discontinue						

Goal 2: Katy ISD will develop systems where customized resources will ensure equity in response to the needs of a growing district with rapidly changing demographics.

Performance Objective 1: Strategic data points and shared agreements are utilized to make decisions regarding planning, evaluation, and performance needs.

*All WCE teachers will be ESL certified within two years of their hire date.

*All WCE teachers will be GT certified within one year of their hire date. They will also maintain 6 hours of GT credit each year in order to maintain their GT certification.

*All teachers will attend bi-monthly Learning Meetings to increase their learning in areas where they choose to learn.

33) Emergency Operation/Management Plan: Review, update and communicate emergency operations plans to all staff. All members of various emergency management teams trained as required.	Principal, Admin Asst. Team, Incident Command Team	End of year documentation confirms emergency plan practiced and followed. NIMS, CPR/AED, Front Office Paraprofessional, Civilian Response to Active Shooter Event (CRASE), Stop the Bleed training completed by required team members.				
Funding Sources: 199 - General Fund - 0.00						
34) Teachers and staff will nominate students who display behavior according to the Ranger Code of Honor for the Ranger Recognition Club. Principals will reward students who are 'caught being good' using the Ranger Recognition Club protocol including a positive phone call home and an RRC Spirit Stick.	Principal, Assistant Principals.	Increased positive behavior according to the Ranger Code of Honor.				
35) WCE teachers and staff will be recognized through "Ranger Spotlight". Teachers and staff will nominate each other and be featured on announcements and WCE Facebook and Twitter pages.	Counselor	Increased positive school climate and appreciation between teachers and staff members.				
36) Bullying Prevention - Every grade level will receive guidance lessons on bullying prevention, how it is not tolerated, and how to report bullying if it does occur. All 4th and 5th grade students will receive information on how to use the SpeakUp App in order to safely report incidents that make them feel unsafe.	Principal, Assistant Principals, Counselor, LSSP	Students will feel safe in knowing bullying is not tolerated, but will be well informed on how to handle the situation if it does occur.				
37) Bullying Response - WCE will actively monitor the SpeakUp App and use the Threat Assessment process to evaluate and respond to all reports.	Principal, Assistant Principal, Counselor, LSSP	Increase in public perception of WCE response to reports of bullying and an increase in student safety and security.
