WHAT IS THE PURPOSE OF TITLE I?

A school is selected as a Title I school based on the number of families within its boundaries who are eligible for free or reduced-priced meals.

The purpose of Title I is to enable BCE to provide opportunities for all students to acquire the knowledge and skills contained in the challenging state content standards and to meet the state performance standards developed for all students.

WHO PARTICIPATES IN TITLE I?

In Katy I.S.D., Title I students are those who need additional help in core academic subjects.

State, district, and classroom assessment scores help determine who will receive Title I instruction.
