

CRHS Senior Exemption Application Instructions Spring 2021

Semester Exam Exemption Cards will be filled out and submitted electronically this year. There will be no paper Exemption Cards. Each grade level has their own Google Form QR Code that students will use to access and submit their Semester Exam Exemption Applications. Information for Grades 9th – 11th will be sent out at a later date. This information is only for SENIOR STUDENTS. In order to secure exam exemptions, you must use the correct Google Form QR Code when applying for exemptions. Exemption Application Forms can only be filled out once. Please ensure that you correctly entered all of the information requested before submitting your Exemption Application Form.

Exemption Application Form Links for CRHS Senior Students will go live on **Monday, May 3rd**. See chart below for the QR code and link.

All Exemption Card Application Forms for CRHS SENIOR STUDENTS must be submitted by midnight on Monday, May 10th. No Exemption Card Application Forms will be accepted after midnight. No Exceptions.

Any changes that need to be made to your Exemption Card Application will need to be made by or before 3:00 pm on Friday, May 14th. All changes must be submitted to the Senior Office Secretary.

Please note that the Exam Exemption Application Google form is exactly what it is, an application. Just because you apply to exempt an exam doesn't mean you are going to be able to exempt it. Exemption eligibility is determined based on whether or not you have met the KISD Semester Exam Exemption standards. Your teacher will let you know whether or not you are eligible to exempt their final.
