

Did you know?

This year your child will take the PSAT national assessment on Wednesday, October 16th. Katy ISD students also take this assessment their sophomore year; HOWEVER, as a junior, this test also serves as the National Merit Scholarship Qualifying Test. Based on their junior-year PSAT score, students will have an opportunity to qualify for the National Merit Scholarship Program.

It is important that juniors understand the value of doing their best on this assessment. Teachers will help students prepare, but practice outside of class is invaluable.
