PARKING REGISTRATION PROCESS

All parking spots are \$75 and all spots are RESERVED.

All parking permits must be purchased online via the Katy ISD Pay N Go link. Once you have completed payment on Pay N Go, click on the CRHS Parking link to enter your parking information and upload your documents. You will not be able to select a parking spot until both of these items are completed.

In order to complete the Google Doc, you will need to have a picture OR a PDF of your driver's license, your insurance, and the receipt from Pay N Go showing that you have paid. You will not be able to proceed through the document without uploading the required paperwork. All documents will be reviewed and you will be contacted if there are any issues.

Students must purchase a parking permit at least one day before driving on campus. No parking permits will be sold on school days before school.

TEMPORARY TAGS

If a student must drive a vehicle other than the one registered on campus, they must request a Temporary Parking Tag from their AP office on the day they drive a different vehicle. They will need to provide the License Plate Number of the vehicle they are driving.
