

PARENTS of the CLASS OF 2021...

It is hard to believe that our kids are SENIORS! Your support is again needed to make possible a very worthy and important event. Project Graduation will be held on May 22, 2021 at Urban Air in Katy from 11:00 p.m. to 5 a.m. (Graduation ceremonies will be at 8:00 p.m.)

Project Graduation is a “Lock In” celebration and emphasizes having fun in a safe and secure environment for graduating seniors. An event of this magnitude requires many parent volunteers working the entire school year! In addition to volunteers, monetary contributions help pay for rental fees, food, prizes, entertainment, and decorations to transform the location for this special evening for our seniors. While we will solicit donations from local area businesses, it is essential for generous parents to dedicate their time and financial support to make this event possible.

This Senior Class has had a start that no one could have envisioned. This class has and is experiencing the loss of many last moments, important milestones and special traditions. That is why it is tremendously important to us to make sure their last event as Cinco Ranch High School Seniors is a memorable one. In order to provide a spectacular celebration for our seniors, it is important that we start planning and fundraising now. Our goal is to raise \$30,000.00! This amount allows us to provide a night of safe and fun entertainment. It will also provide a startup budget for the Class of 2022. We are confident that our Cinco Ranch family will help us reach this goal.

Every donation counts! Here are the ways you can donate today. Cash Donations to Project Graduation 2021 are graciously accepted at any time.

Venmo your donation to @Cinco-Prograd or use our QR code:
