

Make A Difference

Dear Patron:

As of September 1, 2020, the HCC Foundation (rather than the HCC Business Office) is the primary point of contact for private scholarships. Below are the changes that outside individuals or organizations will need if you wish to support students who have chosen to attend HCC.

1. New Way to Make Payments

You can now go to www.hccsfoundation.org/PrivateScholarship to fund scholarships by credit card or by e-check. This site also provides information if you want to use other forms of payment. For example, from this site, you can download the form from this site that is required to accompany any checks so that we have the pertinent student information needed to process a scholarship award.

2. New Contact Information

If you have any questions or need any additional information about funding private scholarships, you can reach us here:

Houston Community College Foundation
3100 Main St., Suite 12B12

If you have recently sent in scholarship funds to support HCC students, please don't be concerned. We are working with the HCC Business and Financial Aid Offices to ensure that the designated students receive the funds.

Please contact us if you have any questions. We are grateful for your support that allows deserving students to pursue a higher education and a future career.

With gratitude,
