Book Purchasing Resources

eBook Purchasing Resources:

- You can immediately access eBooks purchased from [Amazon for Kindle](#) or the Kindle app on your smart device.
- If you are already an Amazon Prime member, check out [Prime Reading](#)! Prime Reading gives unlimited access to a rotating list of top Kindle books at no additional cost!
- [Barnes and Noble](#) offers immediate access to eBooks purchased for the NOOK and their NOOK app (available on all smart devices).

Audiobook Purchasing Resources:

- [Audible](#), powered by Amazon, allows users to immediately access audiobooks purchased from their platform. Books can be listened to through the Audible app on any smart device.
- [Scribd](#) is a subscription digital reading service. After your initial free 30 days, the subscription costs \$8.99 per month. The service offers 1 million books, comics, and audiobooks through Scribd's app or through a browser.

Physical Book Purchasing Resources:

- You can also purchase physical books from [Amazon Books](#); however, Amazon has stated that you may experience shipping delays on items considered non-essential.
- [Barnes & Noble](#) stores in the Houston area are still open (with limited hours). B&N Houston area locations are also offering curbside pickup for online book orders. B&N suggests curbside pickup because they are currently experiencing delays with shipping.
- [Target](#) stores in the Houston/Katy area are still open and have a well stocked section of new and best selling books.
- [Bookshop.org](#) is an online bookstore with a mission to financially support independent bookstores and give back to the book community. They are not experiencing delays in shipping. Starting in March 2020, they began offering eBooks and audiobooks for sale.

Support Your Local Bookshop:

While [Katy Budget Books](#) is temporarily closed, you can still support them:

- Digital Reading: eBooks and digital audiobooks are always available through our partnerships with [Kobo](#) and [Libro.fm](#).
- Direct-to-Home Shipping: New books are still available to be shipped directly to you. Place an order online, and you will be contacted with the availability and details of your order.
- Recommendations: Contact KBB on any social media platform or at marketing@katybooks.com for personalized recommendations.
