TRANSPORTATION INFORMATION

MILLER CAREER & TECHNOLOGY CENTER

DRIVING VS. BUS TRANSPORTATION

Students may provide their own transportation or ride the **MCTC bus** at the beginning of the school day or after school, however students enrolled in internships and/or certain rotation programs **may be required** to provide their own transportation. Programs requiring students to provide their own transportation are indicated by the car icon in the MCTC brochure and Katy ISD Course Catalog.

Morning bus riders attending MCTC will be transported directly from pick-up points to MCTC utilizing the **MCTC bus route**. Students will be transported back to the home campus when MCTC dismisses the morning session.

Bus riders who attend MCTC for 4th period or after will be transported from the home campus to MCTC. After school is dismissed, these bus riders will be transported **directly to drop-off points, not to the home campus, utilizing the MCTC bus route.**

The **MCTC** route will NOT have pick-up and drop off points as convenient to your home as the home campus route because it is a [district-wide route](#).

STUDENT PICK-UP PROCEDURES

Student pick-up at 2:40 is behind MCTC (on the south side). Enter through the Shaw Center lot and line up. There is no pick-up in front of the school after 2:00 p.m. It is unsafe to pick-up students in the street. Please follow procedures.
