

MDJH Re-testing/Redo Policy

1. All students who receive below a 75 will have a retest opportunity for any major test.
2. The teacher and student will arrange for a mutually agreed upon time to take the retest. *The retest must be completed before the next major test or the end of the marking period.*
3. Students will be offered a re-teach activity.
4. Test Corrections do not equate to a Re-Test nor will the Re-Test be the original test.
5. The maximum grade allowed on the Re-Test is a 75.
6. The retest procedures do not apply to end-of-semester exams or tests, district developed or state assessments.
7. High school courses will follow the retest/redo procedures of high school policy.
