## **PSAT 2021**

**Wednesday, October 13<sup>th</sup> from 7:15 am - 12:30 pm.**

ALL 10<sup>th</sup> and 11<sup>th</sup> grade students will be participating in the PSAT. Students who are enrolled in OTHS will **automatically** be enrolled in the PSAT test. Freshman and Seniors will attend a “homeroom” study hall during that time. Details will be released at a later date.

**Parents of ALL STUDENTS, *please do not schedule appointments during the testing window* as the campus will be closed. Attendance passes will not be issued from the attendance office that morning for students in any grade level, even if they are not testing on that date.**

*Thank you for respecting this guideline. Our first priority is always the safety of our students. Our attendance clerks and other staff are busy on testing dates accounting for each and every student on campus and we need to keep them focused on that task. Thank you so much for understanding and making allowances.*
