Dear Parent/Guardian,

Texas SUCCESS provides state-funded access to interactive math and reading programs for Texas public school students in grades 3-8. The Texas Education Agency (TEA) has selected *Think Through Math* as the *Texas SUCCESS* math provider and *Istation Reading* as the *Texas SUCCESS* reading provider. Thanks to *Texas SUCCESS*, students will now have free access to both programs from home.

Think Through Math and *Istation Reading* both provide students with computer-adaptive instruction that adjusts to their unique skill level. *Think Through Math* provides students with meaningful practice; motivational tools; and access to live, state-credentialed teachers. *Istation Reading* maximizes students' reading fluency, comprehension, and retention. While *Think Through Math* is a web based program and may be accessed from any computer that meets the technical requirements, *Istation* is computer-based, and may only be accessed from home once parents download the *Istation* software. Guidance for accessing the programs may be found below.

Texas SUCCESS programs are provided by the state as supplemental resources, and they are not intended to replace core instructional resources or existing intervention programs. Katy ISD will continue to provide teachers with a wealth of appropriate instructional resources to support instruction during the school day. As always, teachers and administrators will work collaboratively to ensure that students have access to the resources and instructional settings that best meet their needs.

Parents may set up accounts in both programs. To set up a parent account for *Think Through Math*, visit www.texassuccess.org and select "Sign Up" under the "Math" heading. To set up a parent account for *Istation Reading*, visit www.istation.com/IstationHome/TX and follow the guidance for parents. Parents must create parent accounts in order to view their child's performance reports and monitor their child's progress.

Students' login credentials for both programs follow the sequence below:

Username: Katy ISD Student ID number (i.e. Z1234567)*
Password: First Initial + Katy ISD Student ID number (i.e. AZ1234567)*
Use lowercase letters for Istation Reading

_____

==Accessing *Think Through Math*== Grades 3-5	==Accessing *Istation Reading*== Grades K-5
Visit: www.texassuccess.org.	Visit: www.istation.com/IstationHome/TX.
Go to the "Math" heading, and select "login." You will be immediately redirected to http://lms.ttmtexas.com/.	Go to the "Reading" heading and select "login." On the next screen, you will be provided guidance for downloading *Istation Reading* software and parent reports.
Select "Login as a Student."	If asked for your "school/location" enter your campus domain name. **Ask your teacher for your campus domain name if it isn't provided here.**
Enter your child's username and password.	Parents will use their child's username and password to access the parent portal.
For *Think Through Math* customer support, call 866.357.8664 (Option 3), or email support@thinkthroughmath.com.	For *Istation Reading* customer support, call 866.883.7323 (Option 2), or email support@istation.com.
