MEMORANDUM

TO: Elementary Principals

FROM: Darlene Rankin, Instructional Technology Director
Sofia Darcy, Library Coordinator

DATE: May 20, 2021

SUBJECT: ELEMENTARY SUMMER READING PROGRAM

It's time for summer reading! This year's summer reading program, *Sizzlin' Summer Readers*, is sponsored by Katy ISD Libraries.

The program provides students in K-2nd and 3rd – 5th grades with a choice board in English and Spanish. Each board contains age-appropriate activities designed to reinforce the love of books and reading. Campuses may provide print copies of the choice boards to be sent home with students. Each librarian has access to the hard copy of the choice boards.

Additionally, *Sizzlin' Summer Readers* is available in Canvas for students using this [self-enroll](#) link. Activities will be available each week beginning May 31st through August 31st.

Your campus librarian can assist with further questions.
