The image shows a mobile application interface. On the left is a dark blue vertical navigation menu with icons and labels for Dashboard, Courses, Calendar, Inbox (with a '1' notification badge), and Account. On the right is a white 'Courses' page with a close button (x) in the top right corner. The page lists several courses: '1 - Science 6 PreAP (J632-12)', 'SLJH 6th Grade Pre Ap Math J. Feng', 'SLJH Reading Ryles', and 'All Courses'. Three orange arrows originate from a yellow callout box on the right and point to the 'Courses' menu item, the 'Courses' page, and the 'Account' menu item.

The background shows a dark grey screen with a notification or settings card. The card has a title 'ferences' and text that reads: 'u might want to configure what notifications you'll receive a' and 't events you'd like to be notified. When things happen in your' followed by 'ekely.'. Below the text are several buttons, some with labels like 'es'. At the bottom of the screen is a dark blue navigation bar with three icons: a megaphone, a speech bubble, and a folder.

Your course will always be accessible in the Global Navigation Menu

You can turn your course viewings on and off in the calendar by clicking the colored boxes. Each color represents a course's events or assignments on your calendar

The image shows a screenshot of the Canvas LMS interface. On the left side, there is a dark sidebar with navigation icons for Courses, Calendar, Inbox (with a '1' notification), and Account. The main content area is titled 'Dashboard' and displays a course card for '1 - Science 6 PreAP (J632-12)'. A yellow arrow points from the text above to a question mark icon in the bottom-left corner of the interface. A 'Help' dropdown menu is open, listing several options: 'Ask Your Instructor a Question' (highlighted in blue), 'Search the Canvas Guides', 'Report a Problem', and 'Submit a Feature Idea'. Each option includes a brief description of its function.
