

Division of Teaching and Learning
Office of Gifted and Talented / Advanced Academics

MEMORANDUM

TO: High School Principals

FROM: Sanée Bell, Ed. D., Executive Director of Secondary Teaching and Learning
Joan Otten, Ed.D., Director of GT and Advanced Academics

DATE: September 2, 2021

SUBJECT: NEW DUAL CREDIT RESOURCES

The Dual Credit Success Manual for students and staff is now available. Included in the manual are Houston Community College (HCC) and Katy ISD processes and contacts as well as student support information. This manual can be accessed through this [link](#). Also, two student resource bookmarks were delivered to your campuses this week and are included in this memo. The TSIA bookmark, linked [here](#), is designed to provide students with TSIA information and test preparation resources. The Dual Credit Resources bookmark, linked [here](#), is to be given to students currently enrolled in one or more dual credit courses. Both bookmarks are in English and Spanish and include QR codes for students to easily access the resources they may need to be successful.

Contact Dr. Joan Otten at joaneotten@katyisd.org for any questions.
