2022-2023

Our Vision:
Create a campus culture where all students can learn and grow into successful scholars and citizens.

Our Mission:
To build a community where all stakeholders learn and grow emotionally, socially, and academically.

School-Parent Compact
This compact is a written agreement that explains how parents, the entire school staff, and students will share in the responsibility for improved student achievement. It also outlines how the school and parents will build a partnership in order to support our BCE vision and mission.

Our Title 1 School Parent compact was developed by parents, staff, and community members of Bear Creek Elementary to establish effective partnerships insuring high academic achievement of our students.

• Ensure that my child attends school REGULARLY and ON TIME.
• Review and discuss with my child his/her take-home folder, report card, or other communications to help improve areas needing attention
• Encourage my child to read daily and complete his/her assignments.
• Attend all parent/teacher conferences and parent programs related to student achievement.
• Communicate with staff about concerns that may interfere with my child’s learning.
• Be actively involved in my child’s education, and believe my child can learn and meet or exceed high academic standards.

As a student, I will:
• Believe I can learn, and request assistance when I need support.
• Respect all people and property.
• Listen to and follow directions.
• Be on time and have all the necessary materials.
