Use this list of courses as a guide to help you select your classes in SchoolLinks. Each student must select one course from each of the required areas: **English, Math, Science, Social Studies and PE**. Students planning for 8th grade will select two elective courses. Students may not receive their first choice elective due to insufficient enrollment in a course, scheduling conflict, or over enrollment in course. Final placement into courses is contingent upon campus approval. GT placement requires the student to have met specific Katy ISD screening criteria.

DIRECTIONS: CIRCLE one course from each of the required areas of **English, Math, Science, Social Studies and PE**. Mark required courses by circling the course number for the course.
IMPORTANT: List **Fine Arts/Elective** choices in order of preference. Student and parent signatures confirm that all course guidelines have been reviewed and course selections have been made based on the student's individual strengths, interests and commitment.

7th Grade Course Planning Sheet
Adams Junior High
2025-2026

Dear 6th Grade Parent/Guardian,

Course selection for the upcoming 2025-2026 school year has begun. Important dates for course selection are listed below:

January 23 – AJH Incoming 7th & 8th Grade Parent Night @ 5:30pm in AJH Cafeteria

February 3-5 - Course Selection Window - Students select courses in SchoolLinks using their Course Planner.

February 5 – Course Planning Sheet due to ELA Teacher

February 5 - March 7 - Counselors meet with students individually to review course requests.

Students have received information for all required and elective courses that are available to them for the next school year. Beginning February 3rd, students are expected to make informed choices about courses that will best meet his or her educational needs.

There are different formats for the core courses from which to choose:

- **Academic** - on grade level and designed to prepare students for high school and college
- **KAP (Katy Advanced Placement)** - prepare students for Advanced Placement courses (college level instruction) while in high school
- **KAP/G/T (Gifted and Talented)** - placement requires the student to have met specific KISD screening criteria and have been accepted into the G/T program

Katy ISD has an open enrollment policy for advanced academics. Early enrollment in these courses contributes to student achievement in later years. KAP courses are designed to challenge students beyond grade-level academic courses and prepare them for success in future advanced level coursework. Students may require encouragement and support from both family and campus to be successful in advanced academics. Please review your child's report card and test scores in making course level decisions. Please note that students often enroll in a combination of course formats. Consider each course separately when deciding to select Academic or KAP.

On the 7th Grade Course Planning Sheet, your child will request the following courses: English/Language Arts Block, Math, Social Studies, Science, P.E., and list your top four elective choices in order of preference. Students identified as gifted may opt for a class designated as GT.

Thank you for your careful consideration of courses for your child.

After completing the worksheet, please scan the QR code below, in order to follow the next steps on how to enter courses in the Course Planner in Schoollinks.
