7th Grade Course Selection Planning Sheet

Cardiff Junior High 2023-24

Student First Name	Student Last Name	KISD Student ID #

Directions: Please use the sheet below to plan for the 2023-2024 School Year. Each student will need to have the following **required** courses: English, Math, Science, Social Studies, and PE. Sixth graders will also have **one** fine arts elective choice. The options below reflect courses that are exclusive to Cardiff Junior High, based on our current course availability.

On the form below, please select the courses that you would like to be considered for next school year. Students may not receive their first choice elective due to insufficient enrollment in a course, scheduling conflict, or over enrollment in a course. By signing this form, you confirm that these are the courses that you plan on taking in the 2023-2024 School Year, based upon the student's individual strengths, interests, and commitments. Final placement in courses is based upon campus approval. GT placement requires the student to have met specific Katy ISD screening criteria.
