AP European History

AP European History is designed as a college-level survey course that introduces students to the rich political, cultural, social, and intellectual heritage of Europe. It is designed to prepare students to be successful on the AP European History Exam while providing them the opportunity to develop the skills and knowledge that will form a useful foundation for their continuing educational endeavors.

The course includes history as both content and methodology. Emphasis is placed on students developing intellectual and academic skills including effective analysis of primary sources, effective note taking, clear and precise written expression, and the ability to weigh evidence and reach conclusions on the basis of facts. Students will be expected to develop Historical Thinking Skills, master Thematic Learning Objectives and relate the information from the 4 Historical Periods (9 Units) contained in the Concept Outline to each.

AP European History is the course for you!
