

# OVERVIEW

The Commercial Driver's License (CDL) program teaches students the skills and knowledge needed to operate large vehicles, such as trucks, buses, and concrete mixers. Students receive classroom instruction, behind the wheel training, and practical application to ensure they are prepared to take and pass the Commercial Driver's License exam.

## AVAILABLE INDUSTRY CERTIFICATIONS

Students have the opportunity to earn Industry Based Certifications. These certifications help students stand out in interviews, help students gain confidence in a subject area, and give students valuable experience in preparing for the level of rigor required for industry certification exams they may face in the future.

### **Commercial Driver's License (CDL)**

Students who enroll in Practicum in Transportation CDL at Raines Academy have the opportunity to earn this certification.
